

**RESOLUTION NO. 2024-\_\_\_**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE,  
CALIFORNIA, ADOPTING AND APPROVING THE CITY OF LAKE ELSINORE  
ENGINEERING STANDARDS AND SPECIFICATIONS FOR PUBLIC WORKS  
CONSTRUCTION – 2024 EDITION**

**Whereas**, the City of Lake Elsinore Engineering Standards and Specifications (Engineering Standards) provide policies, design and construction guidelines, which include various design criteria, technical specifications and standard construction details which are considered minimum requirements for design and construction of public improvements; and

**Whereas**, the City's Engineering Department have developed a comprehensive set of Engineering Standards and Specifications that encompass design, construction, and improvement of public infrastructure among other subjects; and

**Whereas**, the City Council recognizes that the design uniformity is in the best interest of the local community; and

**Whereas**, the City's Engineering Standards represent the current views of the public works officials, eliminating conflicts and confusion; and

**Whereas**, the City's Engineering Standards must be periodically updated to account for the changes in construction practices and for the protection of public health and safety.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE, DOES  
HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:**

**Section 1.** That the foregoing recitals are true and correct.

**Section 2.** The Council approve the Engineering Standards which contain the following:

- Engineering Standard Plans
- Engineering Design Manual
- Engineering Street Light Manual
- Engineering Special Provisions
- Engineering Traffic Signal Specifications.

**Section 3.** The Council adopt the following Standards:

- The "Greenbook" (Latest Edition) – Standard Specifications for Public Works Construction
- California Manual on Uniform Traffic Control Devices (CA MUTCD) – latest edition

**Section 4.** The City Engineer of the City of Lake Elsinore is authorized and empowered to sign all necessary elements to implement and carry out the purpose specified in this Resolution.

**Section 5.** The City Engineer is authorized to make periodic changes and modifications to the Engineering Standards and Specifications as necessary to comply with current public works standards, materials, and methods of construction.

**Section 6.** Engineering Standard shall govern over any conflicts with the Ordinances that cover design standard, guidelines, and policies.

**Section 7.** This Resolution takes effect and is in force immediately upon passage.

**Passed and Adopted** at a regular meeting of the City Council of the City of Lake Elsinore, California, this 10<sup>th</sup> day of September 2024.
