

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared by: Remon Habib, City Engineer

Date: July 9, 2024

Subject: Approve Placing Delinquent Refuse Bills on the FY 2024-2025 Tax Roll

Recommendation

Adopt A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE, CALIFORNIA, AFFIRMING THE REPORT OF DELINQUENT RESIDENTIAL REFUSE FEES AND DIRECTING THEIR COLLECTION ON THE PROPERTY TAX ROLLS.

Background

On June 9, 1992, CR&R, Inc. was awarded an exclusive franchise agreement to provide solid waste collection and recycling services. Due to uncollectible accounts resulting from non-payment from property owners and renters, the City Council approved collections via the tax rolls. These collections are for those accounts whose payments are delinquent for a minimum of 120-days. These costs include the delinquent charges, the appropriate late payments, processing fees, and the trash collection and recycling fees for the existing residence for the following year.

Discussion

As of June 24, 2024, 1,407 accounts are on delinquent tax rolls, totaling \$465,528.93. Due to these delinquent accounts and CR&R's past actions to collect for services rendered, CR&R submits a list of accounts for City Council's consideration to be placed on the tax roll.

Fiscal Impact

Payment from delinquent accounts placed on the tax rolls can take as long as 24-months to collect. In addition, CR&R continues to pay the City the franchise fee from the gross revenues.
