Commission / Committee Application

The City currently has two active Commissions/Committees: the Planning Commission and the Measure Z Citizen Committee. All commissions/committees consist of five members who shall not be officials or employees of the City. Applicants for the [Planning Commission](#) shall legally reside within the City limits or be the owner of a business that is established and currently licensed within the City limits (LEMC Section 2.24.020). Applicants for the Measure Z Citizen Committee must legally reside within the City limits. Each commission/committee serves as an advisory body to the City Council on policy matters or reviewing specific issues as directed by the City Council or prescribed by law. Currently, all Planning Commissioners are appointed at-large by a City Council Subcommittee. However, members of the Measure Z Citizen Committee are appointed by district by their elected council representative.
