

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

PROCLAMATION OF A STATE OF EMERGENCY

WHEREAS on September 8, 2024, the Bridge Fire began burning in Los Angeles County and has since burned into San Bernardino County and burned over 47,000 acres; and

WHEREAS on September 9, 2024, the Airport Fire began burning in Orange County and has since burned into Riverside County and burned over 22,000 acres; and

WHEREAS these fires have prompted evacuation orders and road closures, and continue to threaten structures, homes, and critical infrastructure; and

WHEREAS in response to requests from the Governor's Office of Emergency Services, on September 10, 2024, the Federal Emergency Management Agency approved Fire Management Assistance Grants to assist with the mitigation, management, and control of the Airport and Bridge Fires; and

WHEREAS these fires and other active fires throughout California, including the Line Fire in San Bernardino County, for which I proclaimed a state of emergency on September 7, 2024, have been fueled by continued high temperatures throughout the day and night, dry conditions, and strong winds, and have caused imminent threat to life and necessitated the full deployment of local and state resources, including nearly 6,000 boots on the ground, hundreds of engines and water tankers, and the world's largest aerial firefighting force; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to the Bridge Fire in Los Angeles and San Bernardino Counties and the Airport Fire in Orange and Riverside Counties; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by these fires, by reason of their magnitude, are beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authorities are inadequate to cope with the magnitude of the damage caused by these fires; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Proclamation would prevent, hinder, or delay the mitigation of the effects of these fires.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist in Los Angeles and San Bernardino Counties due to the Bridge Fire and in Orange and Riverside Counties due to the Airport Fire.
