

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared by: Adam Gufarotti, Community Support Manager

Date: September 24, 2024

Subject: Amendment No. 1 to the Agreement for Professional Services with Social Work Action Group (SWAG) for Homeless Outreach Services

Recommendation

Approve and authorize the City Manager to execute Amendment No. 1 to the Agreement with Social Work Action Group (SWAG) to extend the term of the agreement for homeless outreach services in an amount not to exceed \$412,419 per fiscal year in such final form as approved by the City Attorney.

Background

Homelessness is a top priority for the City of Lake Elsinore and since establishing the City's first Homeless Task Force in 2017, Lake Elsinore has made significant strides in assisting our most vulnerable residents off the streets while seeking effective methods of reducing our homeless population to achieve functional zero for chronic homelessness.

A key partner in achieving this goal is the Social Work Action Group (SWAG), the City's nonprofit partner. SWAG has played a crucial role in conducting street outreach, providing housing navigation, and offering case management services to chronically homeless individuals. Additionally, since December 2020, SWAG has operated the Anchor, a facility that provides 14 crisis stabilization housing units with up to 20 beds for chronic homeless individuals for up to 90 days.

SWAG Street Outreach Amendment

This partnership has enabled the City of Lake Elsinore to establish a full-time street outreach team comprised of City code enforcement, the Lake Elsinore Sheriff's Station, and SWAG. Street outreach services have been partially funded through state and local grants. Since 2019, the City has secured approximately \$9 million toward its homeless efforts. City staff continues to look for more funding opportunities. This year, the City received \$3 million in federal funding through the federal appropriations process and has submitted another \$2.5 million in federal appropriations for fiscal year 2024/25. In addition to funding, City staff were awarded a fellowship with Stanford University to study how data can shape future homeless services and funding.

Discussion

On July 13, 2021, the City entered into an agreement with the Social Work Action Group (SWAG), allocating \$645,670.00 per fiscal year for homeless outreach services. Over the past few years, the City has exercised its options to extend this contract, recognizing the critical impact of these services on the community.

The City seeks to amend the agreement to ensure the ongoing provision of essential outreach services and adapt to the community's evolving needs. This amendment will enable SWAG to continue its vital work in assisting homeless individuals, providing them with necessary resources, housing navigation, and case management services. By amending the agreement, the City aims to strengthen its commitment to reducing homelessness and supporting its most vulnerable residents.

Fiscal Impact

Funds are available in the City's Fiscal Year 2024-25 Annual Operating Budget.
