

## NOTICE OF PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that the City Council of the City of Lake Elsinore, California, will hold a Public Hearing on May 14, 2024 at 7:00 p.m., or as soon thereafter as the matter may be heard, at the Lake Elsinore Cultural Center, 183 North Main Street, Lake Elsinore, California, 92530, to consider the following:

**Development Agreement Nos. 2024-01 and 2024-02 (North Tuscany Hills)**: Requests by T.T. Group, Inc., the owner of a portion of Tentative Tract Map (TTM) 31370 and Canadian Pacific Land, LLC and Strack Farms Land, LLC the owners of the remainder portion of TTM 31370, each for a Development Agreement as to their respective portions of TTM 31370. TTM 31370 was previously approved for the subdivision of 368 acres into 807 single family residential lots, along with community and neighborhood parks, basins, lift station and open space located in the northeast portion of the City commonly known as North Tuscany. The proposed Development Agreements will extend the life of TTM 31370 for the five year term of the Development Agreements subject to the existing conditions of approval to TTM 31370 and the terms of the Development Agreements, including, among other requirements, the irrevocable dedication of the right of way for the Summerhill Drive Extension project by Owners to City and payment of a \$5,500 per unit Development Agreement Fee for each residential unit.

The project area is located on the south side of Greenwald Avenue, on both sides of the extension of Summerhill Drive north of the existing Tuscany Hills community, to the west of Canyon Lake and to the east of Bella Vista Drive (Assessor's Parcel Nos.: 349-280-025, -028, -029, -038, -040, -042, -044, -048, -050 and -051; 349-290-017, -018, -026 and -027; 349-390-001 thru -004, -015 and -016).

Pursuant to CEQA Guidelines Section 15162, no new environmental documentation is necessary because no changes to the project is proposed and all potentially significant effects have been adequately analyzed in an earlier Environmental Impact Report (EIR) and none of the conditions described in Section 15162 exist. The City previously performed environmental review in compliance with CEQA when it approved the Amendment No. 1 to the Tuscany Hills Specific Plan No. 89-3, General Plan Amendment No. 2004-05, Zone Change No. 2004-06, and TTM No. 31370 on March 22, 2005 based on Subsequent Environmental Impact Report (SEIR) (SCH No. 2004071082).

**PLANNING COMMISSION RECOMMENDATION**: On April 16, 2024, at a duly noticed public hearing, the Lake Elsinore Planning Commission by a 5-0 vote recommended that the City Council adopt an ordinance approving the proposed North Tuscany Hills Development Agreements.

**ALL INTERESTED PERSONS** are invited to submit written information, express opinions or otherwise submit written evidence by email to [calvarez@lake-elsinore.org](mailto:calvarez@lake-elsinore.org).

If you wish to legally challenge any action taken by the City on the above matter, you may be limited to raising only those issues you or someone else at the Public Hearing described in this notice, or in written correspondence delivered to the City prior to or at the Public Hearing.
