**Section 1.** The Recitals set forth above are true and correct and incorporated herein by reference.

Agreement and the proposed Eleventh Amendment to the Stadium Interim Management Agreement are reasonable and necessary to satisfy the Successor Agency's contractual obligations under the Stadium Operations Contracts and to protect and maintain the assets of the former Redevelopment Agency and conform to state law and regulations, (ii) that Real Property Tax Trust Fund (RPTTF) revenues requested by the Successor Agency in the ROPS 25-26 includes funds necessary to meet the Successor Agency's enforceable obligations, and (iii) that the Third Amendment to the Concession License Agreement is in the best interests of the taxing entities as necessary to conform to ABC regulations and the Eleventh Amendment to the Stadium Interim Management Agreement is in the best interests of the taxing entities because the Storm's skills, knowledge and resources will provide continued, efficient and cost effective management, maintenance and operation of the Diamond Stadium which will protect the public's investment in the Stadium, minimize costs and mitigate against potential breach of contract and related damages.

**Section 3.** Based on the above findings, the Successor Agency approves the Third Amendment to Concession License Agreement between the Successor Agency and Golden State Concessions and Catering, Inc. ("Third Amendment") and the Eleventh Amendment to the Stadium Interim Management Agreement between the Successor Agency and the Lake Elsinore Storm LP ("Eleventh Amendment") in substantially the forms attached and authorizes and directs the Executive Director to execute the Third Amendment and the Eleventh Amendment in such final form as approved by Successor Agency Counsel and submitted to and approved by the Riverside Countywide Oversight Board.
