

Commission / Committee Application - Submission #23

Date Submitted: 11/21/2023

The City currently has two active Commissions/Committees: the Planning Commission and the Measure Z Citizen Committee. All commissions/committees consist of five members who shall not be officials or employees of the City. Applicants for the [Planning Commission](#) shall legally reside within the City limits or be the owner of a business that is established and currently licensed within the City limits (LEMC Section 2.24.020). Applicants for the Measure Z Citizen Committee must legally reside within the City limits. Each commission/committee serves as an advisory body to the City Council on policy matters or reviewing specific issues as directed by the City Council or prescribed by law. Currently, all Planning Commissioners are appointed at-large by a City Council Subcommittee. However, members of the Measure Z Citizen Committee are appointed by district by their elected council representative.

Why are you interested in serving on this Commission/Committee?*

My interest in this commission lies within my deep devotion and connection with this community. While I have not personally lived in this community for a long period of time, my immediate family as well as husband have lived here for over thirty years. I would like to be apart of improving Lake Elsinore and ensuring that funds are allocated properly and in a way that directly benefits the citizens of Lake Elsinore. As I continue to grow my family I would like for Lake Elsinore to where our roots continue to grow and I believe that my action as a community member can positively impact the city.

Over the years working for the City of Murrieta and the Murrieta/Wildomar Chamber of Commerce I have developed a greater understanding for municipal codes, planning, and citizen expectations. I believe these experiences make me uniquely qualifies in conjunction with my educational background in business, specifically Finance. I have a extensive experience in analyzing financial documents that will help me advise on spending and budgeting.

For example, if you are applying for the Measure Z Citizen Committee, please list any financial or budgeting experience.
