Dear Ms. Veliz,

Pyro Spectaculars, Inc. is happy to provide our pyrotechnic proposal for your July 4, 2023 event. The following proposal outlines your custom designed **Sky Concert™** Program "A" for the amount of \$46,000.00. The various fireworks elements provided are prepared to shoot from Lake Elsinore Levee for approximately 20 minutes.

Our full service program includes necessary preproduction services, music production and choreography, the services of a licensed pyrotechnic operator, specialized crew, an electronic firing system, and pyrotechnic safety equipment used for support and protection. The price also includes insurance coverage, sales tax, and delivery. To help ensure public safety, we work directly with the local fire authority, and we apply for the necessary fireworks related permits. Our winning combination of products, people, and production capabilities help produce the best fireworks entertainment package for your event.

Your organization will be responsible for payment of permit fees and/or standby firemen fees, if any. The Fire Department may bill you directly for any additional standby fees for inspections. Your organization will also be responsible for providing the display location, necessary security for the display site, and other event permits.

Please review the enclosed Proposal, Product Synopsis, Production Agreement, and Scope of Work in detail. In order to reserve your program, it is imperative that you return the fully executed agreement, your initial payment, and applicable permit fees to our office by April 3, 2023, the price firm date in your production agreement. The program, pricing, and show date may not be available beyond the price firm date.

If you wish to discuss your program or need more information, please call either me or your Customer Service Representative Maria Barajas at (909) 355-8120 ext. 228.

Sincerely,

PYRO SPECTACULARS, INC.
