COVER LETTER

AK Security Alarm LLC is pleased to submit an addendum to original contract from **August 08, 2022**, to extend existing services for the City of Lake Elsinore to include **on-call services** for the successor agency.

Our team of skilled professionals has extensive experience providing on-call services to a wide range of clients in the industry. **AK Security Alarm LLC** specializes in the design, installation, integration, and service of Security and fire alarm systems, and we also focus on Access Control systems and Closed-Circuit TV (CCTV) camera surveillance systems for residential and commercial applications.

AK Security Alarm LLC can provide you with a solution for your security system requirement, from a single-family home to larger estates or apartment complexes or small businesses to a larger industrial facility. We have a solution for your needs.

AK Security Alarm LLC works closely with partners all over our license areas. Through our partner operations, AK Security Alarm can reach out and help protect customers in locations that might otherwise be unavailable.

CORPORATE OFFICE INFORMATION:

AK Security Alarm LLC | Riverside
