AGENCY: CITY OF LAKE ELSINORE  
PROJECT: LANDSCAPING AND LIGHTING MAINTENANCE DISTRICT CITYWIDE  
TO: CITY COUNCIL  
CITY OF LAKE ELSINORE  
STATE OF CALIFORNIA

#### REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to direction from the City Council (the "City Council") of the City of Lake Elsinore (the "City"), State of California, submitted herewith is the Engineer's Report for Citywide Landscaping and Street Lighting District (the "Report"), consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California, being the "Landscaping and Lighting Act of 1972", as amended, commencing with Section 22500, and which is in accordance with Resolution No. 2023-\_\_\_\_ adopted by the City of Lake Elsinore City Council, Riverside County, California ordering preparation of the Report for Citywide Landscaping and Street Lighting District (the "Assessment District" or the "District"). This Report is applicable for the ensuing 12-month period, being the Fiscal Year commencing July 1, 2023, to June 30, 2024.

- Section 1**      **PLANS AND SPECIFICATIONS** describes the improvements within the District. Plans and specifications for the improvements showing and describing the general nature, location, and extent of the improvements are incorporated herein by reference and are on file in the office of the Public Works Department.
- Section 2**      **COST ESTIMATES** of the proposed improvements, including incidental costs and expenses in connection therewith.
- Section 3**      A **METHOD OF APPORTIONMENT OF ASSESSMENT** contains the method of apportionment of assessments, indicating the proposed assessment of the total amount of the costs and expenses of the improvements upon the several lots and parcels of land within the District, in proportion to the estimated benefits to be received by such lots and parcels.
- Section 4**      The **PROPOSED ASSESSMENTS** contain a list of Riverside County Assessor Parcel Numbers, and the net amount to be assessed upon the benefited lands within the District for Fiscal Year 2023-24. The Assessment Roll is filed in the office of the City of Lake Elsinore City Clerk and is incorporated in this Engineer's Report by reference.
- Section 5**      **DISTRICT DIAGRAMS** incorporate by reference diagrams of the District showing the exterior boundaries of the District, the boundaries of any zones within the District, and the lines and dimensions of each lot or parcel of land within the District.

## Background

The City Council of the City of Lake Elsinore approved the formation of the Citywide Landscaping and Street Lighting District with the adoption of Resolution No. 88-27 on June 28, 1988. The District was formed pursuant to the requirements of the Landscaping and Lighting Act of 1972 (the "Act").

The District was formed to provide a source of funds for the installation, servicing, maintenance, repair, and operation of street lighting (including traffic signals), landscaping, street trees, and appurtenant facilities within the District. The boundaries of the District are simultaneous with the boundaries of the City. The Report sets forth the methodology to be used in apportioning the assessment to the different land use types and benefit zones within the City based upon the benefit they receive.

There are several different types of maintenance improvements throughout the City. Each of the improvement types is broken into Improvement Areas and then the costs for those Improvement Areas have been apportioned to the benefiting parcels. When the District was formed in 1988, several Benefit Zones were established to ensure a source of funds for the ongoing maintenance of street lighting improvements (including traffic signals), public landscaping, and public street trees which are of benefit to all parcels within the City. Included are street lighting (including traffic signals), landscaping, and street trees along major thoroughfares, a portion of the secondary arterials as defined in the Circulation Element of the City's General Plan, and the maintenance of landscaping on other City owned properties. In addition, some Benefit Zones provide a source of funding for the maintenance of improvements that are of local benefit. Currently there are twenty-one (21) special benefit zones, lettered A through U (see Appendix A – District Diagrams).

Parcels within these special Benefit Zones are assessed for the maintenance of local improvements including, but not limited to, street lighting, landscaping, and site-specific tree maintenance. These improvements provide a special benefit to those parcels due to their nature and location. In addition, in proportion to their share of the cost for the maintenance of these local improvements, those parcels within a special Benefit Zone are also assessed for the improvements designated as a citywide benefit.

Proposition 218, the "Right to Vote on Taxes Act" ("Proposition 218"), was approved on the November 1996 Statewide ballot and added Article XIII D to the California Constitution. In response to Proposition 218, and as now provided by California Constitution Article XIII D Section 5(a) ("Article XIII D"), the District only finances the capital costs, maintenance, and operation expenses for street lighting (including traffic signals), public landscaping, and street tree maintenance. All other public maintenance (such as parks) that is not exempt from Proposition 218 has been removed from the District. The City has determined that by removing the non-exempt costs, the remaining improvements may continue to be paid for through the Assessment District without being subjected to the procedures and requirements of Proposition 218.

Based on the proceedings in Fiscal Year 1997-98 and the provisions of Proposition 218, the District is exempt from the requirements of Proposition 218, unless there is an increase in the assessment rates.

## Current Annual Administration

As required by the Act, the Report includes: (1) a description of the improvements to be operated, maintained, and serviced by the District, (2) an estimated budget for the District, and (3) a listing of the proposed Fiscal Year 2023-24 assessments to be levied upon each assessable lot or parcel within the District.

The City of Lake Elsinore will hold a Public Hearing on July 11, 2023, regarding the District which will provide an opportunity for any interested person to be heard. At the conclusion of the Public Hearing, the City Council may adopt a resolution confirming the assessment rates as originally proposed or as modified.

Payment of these annual assessments for each parcel will be made in the same manner and at the same time as payments are made for their annual property taxes. All funds collected through the assessments must be placed in a special fund and can only be used for the purposes stated within this Report.

The facilities which have been constructed within the District, and those which may be subsequently constructed, will be operated, maintained, and serviced generally described as follows:

*"The improvements consist of the installation, construction, operation, and/or maintenance of street lighting, landscaping, and street trees including but not limited to personnel, electrical energy, utilities such as water, materials, contracting services, and other items necessary for the satisfactory operation of these services."*

Reference is made to the plans and specifications for the improvements, which are on file with the office of the City Clerk.

## Street Lighting Facilities

The street lighting system includes, but is not limited to, poles, fixtures, bulbs, conduits, guys, anchors, posts, pedestals, metering devices, and any other appurtenant improvements needed to provide street lighting within the District.

Maintenance means the furnishing of services and materials for the ordinary and usual operations and maintenance and servicing of street lighting and appurtenant facilities including repair, removal, or replacement of all or part of any street lighting, or appurtenant facilities. Servicing means the maintenance of any street lighting facilities or appurtenant facilities including personnel costs and the furnishing of electric current or energy, gas, or other illuminating agent for the street lighting, or appurtenant facilities.

Street lighting improvements include, but are not limited to, the current payments to Southern California Edison Company (SCE) for electrical energy and installation and the maintenance and servicing of street lights. Currently the City of Lake Elsinore is responsible for approximately 3,300 total public street lights. Of those street lights, approximately 2,422 are maintained by the District (185 are City-owned lights and 2,237 are SCE-owned lights). In addition, the District maintains 17 traffic signals.

The City of Lake Elsinore street lighting system is broken down into the Major Streets (including traffic signals) and six (6) separate local lighting Improvement Areas as follows and as shown on Figure 1 in Appendix A:

- |    |                   |  |
|----|-------------------|--|
| 1. | Westside Lighting | Westside areas with street lights              |
| 2. | Eastside Lighting | Eastside areas with street lights              |
| 3. | Midtown Lighting  | Midtown and Southside areas with street lights |
| 4. | Area C            | Street lights serving Tract 19402 Units 1 & 2  |
| 5. | Area D            | Street lights serving Tract 18719 Units 1 – 5  |
| 6. | No major lighting | Street lights are spaced over 300 feet apart   |

## Landscaping Facilities

Landscaping improvements include, but are not limited to, irrigation, cultivation, installation and replacement of plant material, tree trimming and other necessary supplies, personnel, utility and equipment costs, contract services where applicable, and care and maintenance of street trees and approximately 34 acres of streetscapes within the public right-of-way.

The City of Lake Elsinore landscaping facilities include three (3) types of improvement areas which are described below and are shown in Figures 2-3 in Appendix A:

1. Major Streets
2. Site-Specific Landscaping Areas
3. Tree Maintenance Areas

## Major Streets

The Major Streets improvement area includes landscaping on three types of streets: Arterial, Major, and Secondary. The first two sets of streets are defined as Arterial (110' wide) and Major Streets (100' wide) per the City of Lake Elsinore General Plan 1992; they are: Highway 74, Lakeshore Drive, Main Street, Riverside Drive, Robb Road, Grand Avenue, Mission Trail, Railroad Canyon Road, Diamond Drive, Corydon Street, Summerhill Drive from Railroad Canyon Road to Riverside Street, Tuscan Hills Parkways, and Grape Street.

The third set of streets are defined as Secondary (88' wide) per the City of Lake Elsinore General Plan 1992; they are: Machado Street from Grand Avenue to Lakeshore Drive, Dexter Avenue, Sixth Avenue from Casino Drive to Lakeshore Drive, Terra Cotta Road from Lakeshore Drive to Nichols Road, Lincoln Street from Lakeshore Drive to Nichols Road, Lincoln Street from Grand Avenue to Riverside Drive, Lincoln Street from Machado Street to Shore Cliff Drive, Chaney Street from Lakeshore Drive to Dexter Avenue, Graham Avenue from Lakeshore Drive to Main Street, and Pottery Street from Main Street to Franklin Avenue.

### Site Specific Landscaping Areas

The Site Specific Landscaping Areas include nine (9) areas with specific local benefits due to landscaping. They are as follows:

- ◆ Area A Landscaping along Machado Street at the Grand Avenue intersection
- ◆ Area B Landscaping along Madison and Garfield Streets
- ◆ Area C Landscaping in Tract 19402
- ◆ Area D Landscaping along Terra Cotta Road
- ◆ Area E Landscaping in Tract 19344 (Serenity)
- ◆ Area F Landscaping and slope maintenance adjacent to Summerhill Drive, excluding the road right-of-way
- ◆ Area G Landscaping along east side of Machado Street, between Lincoln Street and Lakeshore Drive
- ◆ Area H Landscaping along Orange Grove Way
- ◆ Area I Landscaping along Lincoln Street

### Tree Maintenance Areas

The Tree Maintenance Areas include five (5) areas with specific local benefits due to street trees. They are as follows:

- ◆ Area 1 Trees surrounding Interstate 15 and Lakeshore Drive in the south area of the city from Rancho Street to approximately Lakeview Drive
- ◆ Area 2 Trees in the midtown area generally between Chaney Street and Rancho Street
- ◆ Area 3 Trees in the area generally located between Chaney Street and approximately Stoddard Street, and approximately Strickland Avenue to Lakeshore Drive
- ◆ Area 4 Trees in the area on the southwest side of Interstate 15 from approximately Riverside Drive to approximately Poe Street
- ◆ Area 5 Trees in the west area of the city generally located between Terra Cotta Street and Riverside Drive, and Lakeshore Drive and the City limits

The Act requires that a special fund be set up for the collection of revenues and expenditures within the District. It also provides that the total cost of construction, operation, and maintenance and servicing of the public street lighting and landscaping facilities, etc. can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees, and all other costs associated with the construction, operation, and maintenance and servicing of the District can also be included.

Revenues collected from the assessments shall be used only for the expenditures represented above. A contribution to the District by the City of Lake Elsinore may be made to reduce assessments, as the City Council deems appropriate. Any balance remaining on July 1 at the end of the Fiscal Year must be carried over to the next Fiscal Year.

The estimated costs of the District for Fiscal Year 2023-24 are as follows.

### Street Lighting Budget

The total estimated costs for the Major Street Lighting and for each of the local lighting improvement areas are shown below in Table 2-1.

*Table 2-1  
Street Lighting Costs*

Description	FY 2022-23 through June 30, 2023	FY 2023-24 through June 30, 2024
<b>Major Street Lighting &amp; Traffic Signalization</b>		
Light Expense	\$109,578	\$111,769
Traffic Signals	\$177,069	\$180,610
Administrative Costs	\$113,828	\$116,105
Capital Improvements	\$0	\$0
Debt Service Replacement <sup>1</sup>	\$221,246	\$221,246
<b>Major Street Light &amp; Traffic Expenses</b>	<b>\$621,721</b>	<b>\$629,730</b>
<b>Site Specific Street Lighting</b>		
Westside Area	\$100,597	\$102,609
Eastside Area	\$14,598	\$14,890
Midtown Area	\$78,229	\$79,793
Zone C Area	\$5,534	\$5,645
Zone D Area	\$19,510	\$19,900
<b>Site Specific Street Light Expenses</b>	<b>\$218,468</b>	<b>\$222,837</b>
<b>Total Street Light &amp; Traffic Expenses</b>	<b>\$840,188</b>	<b>\$852,567</b>
<b>Adjustments</b>		
City Collection / Contribution	(\$485,315)	(\$496,020)
<b>Total Assessment</b>	<b>\$354,873</b>	<b>\$356,547</b>

<sup>1</sup> The City purchased streetlight poles from SCE and the estimated costs for debt service contribution and acquisitions costs is reflected in the debt service payment for that zone.

## Landscaping Budget

The total estimated costs for the Major Street Landscaping and for each of the local landscaping improvement areas are shown below in Tables 2-2 and 2-3.

*Table 2-2  
Landscaping Costs*

Description	FY 2022-23 through June 30, 2023	FY 2023-24 through June 30, 2024
<b>Major Street Landscaping</b>		
Major Street & Administration Costs	\$814,578	\$830,870
Capital Improvements	\$0	\$0
<b>Major Street Landscaping Expenses</b>	<b>\$814,578</b>	<b>\$830,870</b>
<b>Site Specific Landscaping</b>		
Area A	\$3,105	\$3,167
Area B	\$6,406	\$6,534
Area C	\$3,473	\$3,543
Area D	\$5,214	\$5,318
Area E	\$4,263	\$4,348
Area F	\$329,513	\$336,103
Area G	\$3,799	\$3,875
Area H	\$12,740	\$12,995
Area I	\$0	\$0
<b>Site Specific Landscaping Expenses</b>	<b>\$368,512</b>	<b>\$375,882</b>
<b>Total Landscaping Expenses</b>	<b>\$1,183,090</b>	<b>\$1,206,752</b>
<b>Adjustments</b>		
City Collection / Contribution	(\$193,927)	(\$212,626)
<b>Total Assessment</b>	<b>\$989,162</b>	<b>\$994,126</b>

Total Tree Maintenance Expenses	\$112,616	\$114,869
<b>FY Total LMD Cost Estimate</b>	<b>\$2,135,894</b>	<b>\$2,174,187</b>

## General

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by Agencies for the purpose of providing certain public improvements which include the installation, construction, operation, maintenance and servicing of street lights, traffic signals and landscaping.

Section 22573 of the 1972 Act requires that maintenance assessments be levied according to benefit rather than according to assessed value. This section states:

*"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."*

The Act also permits the designation of zones of benefit within any individual assessment district if "by reason of variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvements" (Sec. 22574). Thus, the Act requires the levy of a true "assessment" based on the actual benefit rather than a "special tax."

In addition, Proposition 218 requires that a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel. Article XIII D provides that only special benefits are assessable and the City must separate the general benefits from the special benefits.

Article XIII D also provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all public easements and rights of way, public parks, greenbelts and parkways, public school property, other public property, mineral rights, and designated open space.

## Street Lighting and Traffic Signal Benefit Determination

The primary benefits of street lighting are for the convenience, safety, and protection of property, property improvements, and goods. The intensity and degree of illumination provided can have a bearing on both.

The benefits to property owners include:

1. Reduction in night accidents and attendant human misery and decrease in personal property loss.
2. Less vulnerability to criminal assault at night.
3. Promotion of business during night time hours.

Security and Property protection benefits include:

1. Increased evening driving safety.
2. Reduction in vandalism and other criminal acts and damage to improvements.
3. Reduction in burglaries.

When properly located and operated, traffic signals are an invaluable tool for the safe and efficient movement of property owners and their vehicles throughout the City. Proper operation, maintenance, and servicing of a traffic signal system benefits properties by providing efficient ingress and egress and safe traveling at night.

It has been determined that all properties within the City benefit from lighting and signalization on Major Streets (see Plans and Specifications for a description of the improvements). The Major Streets are used by vehicles emanating from all parcels throughout the City. Therefore, a proportional share of the Citywide street lighting and traffic signalization costs are distributed to all parcels in the City on an equitable basis.

In addition, the levels of service relative to local lighting benefits are broken down into six (6) separate local lighting improvement areas as follows (see Plans and Specification for descriptions):

- ◆ Westside Lighting      Westside areas with street lights
- ◆ Eastside Lighting      Eastside areas with street lights
- ◆ Midtown Lighting      Midtown and south side areas with street lights

- ◆ Area C Street lights serving Tract 19402 Units 1 & 2
- ◆ Area D Street lights serving Tract 18719 Units 1 - 5
- ◆ No lighting Street lights are spaced over 300 feet apart. In areas where there is no lighting, there is no local benefit assessment levied.

Street light costs in these six (6) local lighting Improvement Areas are spread equitably to the parcels within each area.

### Landscaping and Street Tree Benefit Determination

If well maintained, trees, landscaping, and hardscaping provide beautification, shade, and the enhancement of the desirability of the surroundings. These improvements provide special and direct benefits to each property located within the District. Maintaining the street trees and street medians protects the street from erosion and trimming tree limbs keeps them from falling into or blocking the roadway.

The City has landscaping improvements along the Arterial and Major Streets that include medians and right of way frontage. The costs of landscaping on the Major Streets are distributed to all parcels in the City on an equitable basis. See Plans and Specification in this Report for a description of the improvements.

Costs associated with landscaping on Secondary Streets are spread both Citywide and to the parcels that receive local benefits. Those costs are split evenly; one half goes to the Citywide District and the other half to the Site-Specific Landscape Area.

In addition to the Major Street landscaping area, there are Site-Specific Landscaping Areas which include nine (9) areas with specific local benefits due to landscaping. They are:

- ◆ Area A Landscaping along Machado Street at the Grand Avenue intersection
- ◆ Area B Landscaping along Madison & Garfield Streets
- ◆ Area C Landscaping in Tract 19402
- ◆ Area D Landscaping along Terra Cotta Road
- ◆ Area E Landscaping in Tract 19344 (Serenity)
- ◆ Area F Landscaping and slope maintenance adjacent to Summerhill Drive, excluding the road right-of-way
- ◆ Area G Landscaping along east side of Machado Street, between Lincoln Street and Lakeshore Drive
- ◆ Area H Landscaping along Orange Grove Way
- ◆ Area I Landscaping along Lincoln Street

The street landscaping costs in these nine (9) areas are spread to all parcels in the neighborhoods with local benefits.

The City also has Tree Maintenance Areas that includes five (5) specific areas with specific local benefits due to street trees. They are as follows:

- ◆ Area 1 Trees surrounding Interstate 15 and Lakeshore Drive in the south area of the city from Rancho Street to approximately Lakeview Drive
- ◆ Area 2 Trees in the midtown area generally between Chaney Street and Rancho Street
- ◆ Area 3 Trees in the area generally located between Chaney Street and approximately Stoddard Street, and approximately Strickland Avenue to Lakeshore Drive
- ◆ Area 4 Trees in the area on the southwest side of Interstate 15 from approximately Riverside Drive to approximately Poe Street
- ◆ Area 5 Trees in the west area of the city generally located between Terra Cotta Street and Riverside Drive, and Lakeshore Drive and the City limits

The costs for the maintenance of trees in designated areas are spread to the parcels that receive local benefit.

The costs of the Assessment District's incidental expenses are spread as a Citywide direct benefit assessment.

### Assessment Methodology

The total operation, maintenance, and servicing cost for the street lighting and landscaping facilities are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices.

Since the assessment is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment.

Therefore, the total assessment costs are distributed to each parcel of land based on the number of Equivalent Dwelling Units (EDUs) associated with each parcel.

**Developed Single Family Residential** – The developed single-family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit is the EDU. Parcels designated as developed single family residential use per the Riverside County land use code are assessed one (1.00) EDU.

**Multiple Family Residential** – Multi-family residential parcels, including mobile homes, are adjusted in accordance with a multiple residential factor, which is determined by statistical proportion of relative trip generation from various types of residential uses in combination with population density per unit. Studies have found that in multiple residential areas, the primary beneficiaries of street lighting are the tenants rather than the property owners because of increased safety and security. It was concluded that it is proper to "pass through" such an assessment to renters. Therefore, although benefit assessments are normally property related, it is deemed valid to equate a portion of the assessment methodology to the population density of the dwelling units. Based on data from representative cities in Southern California, the multiple residential factor is 80 percent (0.80 EDU per unit). For example, a 100 unit mobile home parcel would be assessed 80 times the amount a single family residential parcel would be, rather than 100 times.

**Condominiums/Apartments** – Condominium and apartment parcels are adjusted in accordance with the multiple residential factor of 80 percent (0.80 EDU per unit per parcel) because of the high population density of the dwelling units.

**Developed Commercial/Industrial** – Developed commercial and industrial parcels are assessed on the basis of the area of the parcel. One EDU has been equated to 7,260 square feet of land based on the minimum lot size for single family parcels. There are 43,560 sq. ft. in an acre; therefore, commercial and industrial parcels are assessed 6.00 EDUs per acre ( $43,560 \div 7,260$ ). Commercial and industrial parcels shall not be assessed less than a single family parcel, therefore each parcel will be assessed a minimum of 1.00 EDU.

**Non-Profit** – Nonprofit parcels such as churches, private schools, private hospitals, YMCA, etc. receive similar benefits compared to commercial parcels and are assessed at 6.00 EDUs per acre and will be assessed a minimum of 1.00 EDUs.

**Vacant** – Vacant parcels include all vacant single family, multi-family, commercial, industrial, and agricultural lands. Assessments are adjusted by a factor of 20 percent. Up to and including the first acre of vacant land is deemed equivalent to a single family residential lot and is therefore assessed at 20% of a single family parcel or 0.20 EDUs ( $1.00 \text{ EDU} \times 20\%$ ). Each additional acre of vacant land is treated as land that can be subdivided or used for commercial or industrial uses and is assigned EDUs at the rate of 1.20 EDUs per acre ( $6.00 \text{ EDUs per acre} \times 20\%$ ).

**Utility** – Public utility owned parcels such as office buildings, plants, and yards receive similar benefits compared to commercial parcels and are assessed at 6.00 EDUs per acre and will be assessed a minimum of 1.00 EDU.

In summary, Equivalent Dwelling Units have been determined to be as follows:

Single Family Residential	1 DU	=	1.00 EDU	
Multiple Residential, Mobile Homes, Condominiums	1 DU	=	0.80 EDU	
Commercial / Industrial (minimum of 1.00 EDU per parcel)	1 acre	=	6.00 EDU	
Vacant (minimum of .20 EDU per parcel)	1 <sup>st</sup> acre	=	0.20 EDU	
			1.20 EDU	each additional acre

Therefore, the assessment amount is distributed by the number of dwelling units on a parcel for residential parcels, and by the size of the parcel for non-residential parcels.

The table below shows the Summary of EDU's by land use classification for the entire District.

*Table 3-1*  
*Summary of Land Use Classifications*

Land Use Classification	Parcels	Acres	EDUs
Single Family Residential	16,612	9,481	16,613
Multiple Residential / Mobile Homes	364	230	977
Apartments / Condominiums	1,011	94	2,287
Commercial / Industrial	784	859	5,379
Vacant Parcels	9,167	10,555	11,954
<b>Total</b>	<b>27,938</b>	<b>21,219</b>	<b>37,210</b>

### Benefit Zones

A system of zones, encompassing both street lighting and street landscaping levels of service, has been developed. These zones, combined with an assigned land use based on the County-assigned use code for each parcel, have been used as the methodology for spreading the assessments to each parcel within the City.

The following page shows the Benefit Zones for the entire District.

Table 3-2  
Benefit Zones

Zone	Description of Improvements
A	Major Street lighting and Major Street landscaping.
B	Major Street lighting, Major Street landscaping, Site-Specific lighting (Midtown), and tree maintenance (Area 1).
C	Major Street lighting, Major Street landscaping, and tree maintenance (Area 1).
D	Major Street lighting, Major Street landscaping, Site-Specific lighting (Midtown), and tree maintenance (Area 2).
E	Major Street lighting, Major Street landscaping, and tree maintenance (Area 3).
F	Major Street lighting, Major Street landscaping, and tree maintenance (Area 4).
G	Major Street lighting, Major Street landscaping, and Site-Specific lighting (Westside).
H	Major Street lighting, Major Street landscaping, Site-Specific lighting (Westside), and tree maintenance (Area 5).
I	Major Street lighting, Major Street landscaping, and tree maintenance (Area 5).
J	Major Street lighting, Major Street landscaping, Site-Specific lighting (Westside), Site-Specific landscaping (Area A), and tree maintenance (Area 5).
K	Major Street lighting, Major Street landscaping, Site-Specific lighting (Westside), Site-Specific landscaping (Area B), and tree maintenance (Area 5).
L	Major Street lighting, Major Street landscaping, Site-Specific landscaping (Area C), Site-Specific lighting (Area C), and tree maintenance (Area 5).
M	Major Street lighting, Major Street landscaping, Site-Specific lighting (Area D), and Site-Specific landscaping (Area D).
N	Major Street lighting, Major Street landscaping, and Site-Specific landscaping (Area E).
O	Major Street lighting, Major Street landscaping, and Site-Specific landscaping (Area F).
P	Major Street lighting, Major Street landscaping, Site-Specific lighting (Westside), Site-Specific landscaping (Area G), and tree maintenance (Area 5).
Q	Major Street lighting, Major Street landscaping, Site-Specific landscaping (Area G), and tree maintenance (Area 5).
R	Major Street lighting, Major Street landscaping, Site-Specific lighting (Area D), and Site-Specific landscaping (Area H).
S	Major Street lighting, Major Street landscaping, Site-Specific lighting (Westside), and tree maintenance (Area 3).

<b>Total EDU's</b>					<b>37,210.46</b>

### Assessment Rates

Tables 3-4, 3-5, and 3-6 summarize the rates per improvement (street lighting, landscaping, tree maintenance) broken down by each improvement area; and then summarized by each benefit zone for determining the assessment rate to be levied per EDU based upon the proposed budget for Fiscal Year 2023-24. See Appendix B (Assessment Roll) for the preliminary assessments per parcel.

*Table 3-4*

### Administration

It is recognized that using the information from the Riverside County Assessor's secured property tax roll as of July 1 each year as the primary source for the assessment formula may lead to circumstances and errors that do not fit the intent of this program when dealing with specific parcels.

Where such circumstances are discovered, either by the persons administering this program or by the owners of the properties affected, such circumstances shall be reported to the Director of Administrative Services, who may make such final corrections or adjustments as are consistent with the concept, intent and parameters of the programs set forth herein.

*Whereas*, the City Council of the City of Lake Elsinore, County of Riverside, State of California, did, pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California, adopted its Resolution Initiating Proceedings for the Annual Levy of Assessments and Ordering the Preparation of an Engineer's Report for the Citywide Landscaping and Street Lighting District;

*Whereas*, the Resolution of Initiation directed Spicer Consulting Group, LLC. to prepare and file a report presenting plans and specifications describing the general nature, location, and extent of the improvements to be maintained, an estimate of the costs of the proposed improvements, including incidental costs and expenses for the referenced Fiscal Year, a diagram of the District boundaries of any zones within the District and the lines and dimensions of each lot or parcel of land within the District, and an assessment of the estimated costs;

*Now Therefore*, the following assessment is made to cover the portion of the estimated costs of maintenance, operation and servicing of said improvements to be paid by the assessable real property within the District in proportion to the estimated benefits to be received:

*Table 4-1*  
*Summary of Assessments*

Description	Budgeted for Fiscal Year 2023-24
Total Costs	\$2,174,187
Operating Reserve Contribution	\$0
City Contribution	\$728,987
<b>Balance to Assessment</b>	<b>\$1,445,200</b>

<b>Total Assessment</b>		<b>\$1,445,200.35</b>	

The proposed amount of assessment for Fiscal Year 2023-24 apportioned to each lot or parcel, as shown on the latest roll at the Assessor's Office are appended herein and submitted separately as Appendix B of the City of Lake Elsinore Engineer's Report for Citywide Landscaping & Street Lighting District, Fiscal Year 2023-24.

The description of each lot or parcel is part of the records of the Assessor of Riverside County and these records are, by reference, made part of this Report.

The total assessment for the Fiscal Year 2023-24 is **\$1,445,200.**<sup>1</sup>

---

<sup>1</sup> The actual assessment roll amount might have a minimal variance due to rounding.

The boundaries of the District are completely within the boundaries of the City of Lake Elsinore. The District Diagrams are on file in the Office of the City Clerk of the City of Lake Elsinore and found in Appendix A of this Report. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Riverside County Assessor, for the year when this Report was prepared, and are incorporated by reference herein and made part of this Report.

Executed this \_\_\_\_\_ day of \_\_\_\_\_, 2023.
