#### 2. Contractor's License

At the time of submitting the Bid, the Bidder shall be licensed as a contractor in accordance with the provisions of Chapter 9, Division 3, of the California Business and Professions Code. The required prime contractor license class for the Work is shown in the project Notice Inviting Bids. However, the City reserves the right to award the Contract to a contractor with another class if the City determines that the license is proper for the Work.

#### 3. Contractor Registration

In compliance with SB 854, in order to bid on or enter into a contract for public work, all contractor and subcontractors must possess and maintain registration with the Department of Industrial Relations (DIR) at <https://efiling.dir.ca.gov/PWCR/>. Bidder and all designated subcontractors shall be registered with the Department of Industrial Relations at the time of submitting the bid pursuant to Labor Code Section 1725.5. This is a separate requirement from the Contractors State License Board licensing requirements. Bids failing to meet this requirement will be deemed nonresponsive.

### B. BIDDER RESPONSIBILITY

A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness, as well as ability, fitness, capacity and experience to satisfactorily perform the work.

Bidders are notified that, in accordance these Contract Documents, the City Council may determine whether the Bidder is responsible based upon a review of the Bidder's performance on other contracts, both within the City of Lake Elsinore and other public agencies for which the contractor has performed similar work.

If, based on the provisions and criteria in these Contract Documents, the City Engineer proposes not to recommend the award of contract to the apparent low bidder, the Director shall notify the Bidder in writing of the Director's intention to recommend to the City Council that the Council award the contract to the second lowest responsible bidder. If the Bidder presents evidence in rebuttal to the recommendation, the Director shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the City Council.

C. ADDENDA TO THE CONTRACT DOCUMENTS

The City may issue Addenda for any reason during the advertising period. The Bidder shall acknowledge the receipt of any Addendum in its Bid. Failure of the Bidder to do so may result in the rejection of its Bid.

D. PREPARATION OF THE BID

1. Examination of Project Site, Plans and Specifications

Prior to submitting a Bid, the Bidder shall examine the Project Improvement Plans and the site of proposed contract work, carefully read the Specifications and Special Provisions, and satisfy himself or herself that he or she has the abilities and resources to complete the Work. The Bidder agrees that if he or she is awarded the Contract, no claim will be made against the City based on ignorance or misunderstanding of the provisions of the Contract Documents, the nature and amount of the work, and the physical and climatic conditions of the work sites.

2. Estimated Quantities

The quantities shown in the Bid Schedule are approximate only. The Contractor will be paid for the actual quantities of work installed based on field measurements. The City reserves the right to increase or decrease the amount of any item or portion of work to be performed or materials furnished, or to delete any item, in accordance with the specifications.

Should the actual quantity of an item of work covered by a Contract Unit Price and constructed in conformance with the Plans and Specifications be less than 75 percent or more than 125% of the Bid quantity, no adjustment to the Contract Unit Price, shall be made therefor.

3. Interpretation of the Documents

Discrepancies in and omissions from the Special Provisions, the project Plans or other Contract documents, or questions as to their meaning shall, at once, be brought to the attention of the City. Any interpretation of the documents will be made only by Addenda dully issued, and a copy of such Addenda will be mailed or delivered to each person or firm who is listed by the City as having received a set of such documents. The City will not be responsible for any other explanations or interpretations.
