Reasons For Interest in Serving on Commission (You may attach a separate sheet for additional information)
Was a planning commissioner in the past but due to districting at the time my commission had expired and there was a commissioner in the same district whose commission had not expired and only one commissioner could be appointed in each district. Because of redistricting and that the current commissioner in my district is vacating their commission I was ask to apply for the commionssion seat. Whereas I would be honored and willing to serve again if permitted.

List any qualifications you may have to serve on the Commission i.e. education, related service or work experience, budgeting or financial experience, community involvement, etc. (You may attach a separate sheet for additional information)

I humbly submit that my qualifications are past planning commissioner in which I have also served as Chairperson , Currently on the Nuisance Abatement Board, where I was the Chair. Education in Design, Business Administration, Finance, Law, and Real Estate. I am currently a Doctoral Student in Business Administration with a 3.67 GPA. On a professional level I have done consulting work for clients in obtaining permits from planning and other government agencies. I have experiential knowledge of planning ordinances and building codes. As a former commissioner I chaired the City's cannabis ordinance which was a complex process covering multiple planning sessions.

Please note: Appointees will be required to take an Oath of Office and file a completed Statement of Economic Interests if appointed to a position specified in the City's Conflict of Interest Code. Appointees are not considered to be City employees for purposes of benefits, such as workers compensation and health insurance.
