

## **REPORT TO CITY COUNCIL**

**To:** Honorable Mayor and Members of the City Council

**From:** Jason Simpson, City Manager

**Prepared by:** Johnathan Skinner, Director Of Community Services

**Date:** April 25, 2023

**Subject:** Main Street Eats Road Closure

### **Recommendation**

Recommend the City Council approve the Road Closure for the Main Street Eats event series every Saturday in May 2023 (May 6, 13, 20, & 27).

### **Background**

The Community Services Department is excited to collaborate with local group, Made Local to bring a new event series to Historic Main Street every Saturday in the month of May. This event will feature a large variety of food booths, local vendors, photo opportunities, and live entertainment. We have scheduled a diverse lineup of local artists to showcase the talent in and around our community. We are expecting this event to attract a large number of visitors to our downtown area. In addition, the event will also support local businesses, promote the downtown area, and provide a fun and family-friendly experience for visitors.

### **Discussion**

Main Street Eats is planned to take place on Main Street in Downtown Lake Elsinore from 5:00 to 9:00 p.m. The Community Services Department, Public Works Department, and Sheriff's Department will coordinate resources to ensure public safety. As a result, staff is recommending street closures Main Street between Heald and Limited as detailed in Exhibit A. It is recommended that these street closures remain in place from 1:00 p.m. to 10:30 p.m. The street closures will be enforced by Law Enforcement personnel.

**Fiscal Impact**

Costs for City personnel staffing will be accommodated via the Community Services fiscal budget.
