

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared by: Johnathan Oliver Skinner, Director Of Community Services

Date: October 10, 2023

Subject: Dia De Los Muertos - Street Closures

Recommendation

Approve Temporary Street Closures for the Dia De Los Muertos event on October 28, 2023.

Background

This is an annual event organized by Studio 395 and co-sponsored by the City of Lake Elsinore and Downtown Merchants Association. This cultural event showcases beautiful art, altars, themed vendors, food, and music.

Discussion

This event is returning to Historic Main Street from 5:00 to 9:00 p.m. The Community Services Department, Public Works Department, Fire Department, and Sheriff's Department will coordinate resources to ensure public safety. As this event continues to grow, staff expect approximately 5,000 attendees. As a result, staff are recommending street closures - Main Street between Heald Avenue and Limited as detailed in Attachment 1. These street closures are recommended to remain in place from 1:00 p.m. to 10:00 p.m. The street closures will be enforced by Law Enforcement and Public Works personnel.

Fiscal Impact

Expenses for City personnel will be accommodated in the Community Services fiscal budget.
