

7) **Amendment No. 1 to the Professional Services Agreement with Kimley-Horn and Associates, Inc. for the Riverside Drive Apartments Project**

Approve and authorize the City Manager to execute Amendment No. 1 to the Agreement for Professional Services with Kimley-Horn and Associates, Inc. for additional services to prepare California Environmental Quality Act (CEQA) compliance documents for a total contract amount not to exceed \$87,400, in such final form as approved by City Attorney.

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared by: Damaris Abraham, Community Development Director

Date: March 11, 2025

Subject: Amendment No. 1 to the Professional Services Agreement with Kimley-Horn and Associates, Inc. for the Riverside Drive Apartments Project

Recommendation

Approve and authorize the City Manager to execute Amendment No. 1 to the Agreement for Professional Services with Kimley-Horn and Associates, Inc. for additional services to prepare California Environmental Quality Act (CEQA) compliance documents for a total contract amount not to exceed \$87,400, in such final form as approved by City Attorney.

Background

The City entered into the original Professional Services Agreement with Kimley-Horn on July 23, 2024, for \$78,600 to prepare CEQA documentation for the Riverside Drive Apartments project to evaluate the environmental impacts of the project. The cost for preparing the environmental analysis is paid for by the project applicant (Elevated Entitlements, LLC) through the application fee process.

Discussion

The applicant has submitted an entitlement application for a new multi-family residential development located at 32281 Riverside Drive which is north of Eisenhower Drive and south of Lake Crest Drive along Riverside Drive and includes Assessor Parcel Number (APN): 379-315-033.

The Riverside Drive Apartments project proposes to develop a 96-unit multi-family residential apartment complex on an existing 4.95-acre site in the Residential Mixed-Use District. The proposed apartment complex consists of 12 two-story buildings, a clubhouse/leasing office, swimming pool and other resident amenities as well as related site improvements including 200 new parking spaces.

Amendment No. 1 Kimley-Horn & Associates (Riverside Drive Apartments)

Several technical studies have been prepared for the proposed project including a Traffic Impact Report, Air Quality/Greenhouse Gas Report, Energy Report, Noise Report, Hydrology Report, Biological Report, Cultural Resources/Paleontology Report, Phase 1 Environmental Site Assessment, Geotechnical Report, and Preliminary Water Quality Management Plan.

Kimley-Horn has provided environmental document preparation services, including peer review of the supporting technical studies and the preparation of the Draft Initial Study. The proposed Amendment No. 1 is being requested to cover extra costs associated with expanding the peer review scope to include an additional full round of peer review. The original proposal included one round of peer review and one round of back check review. However, the peer review of the technical studies required extensive revisions that prompted the drafting of new technical study reports. Compensation for the additional services requested under Amendment No. 1 will not exceed \$8,800 for a new total contract amount not to exceed \$87,400.

Fiscal Impact

The cost of preparing the environmental review will be paid by fees collected from the developer through the City's cost recovery program. All administrative staff time and consultant costs are paid from the applicant's fees. No General Fund budgets will be allocated or used for the completion of the CEQA documents for the project.

Attachment 2 – Original Agreement

**AMENDMENT NO. 1
TO AGREEMENT FOR PROFESSIONAL SERVICES**

Kimley-Horn and Associates, Inc.

Environmental Documentation for the Riverside Drive Apartments Project

This Amendment No. 1 to Agreement for Professional Services is made and entered into as of March 11, 2025, by and between the City of Lake Elsinore, a municipal corporation ("City"), and Kimley-Horn and Associates, Inc., a North Carolina Corporation ("Consultant").

RECITALS

A. The City and Consultant have entered into that certain Agreement for Professional Services dated as of July 23, 2024, (the "Original Agreement"). Except as otherwise defined herein, all capitalized terms used herein shall have the meanings set forth for such terms in the Original Agreement.

B. The Original Agreement provided for compensation to Consultant in an amount of seventy-eight thousand six hundred dollars (\$78,600).

C. The parties now desire to amend the scope of services, term and increase the compensation in an amount of eight thousand eight hundred dollars (\$8,800) for such services as set forth in this Amendment No 1.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, City and Consultant agree as follows:

1. Section 1, Scope of Services, of the Original Agreement is hereby amended to add the following:

Consultant shall also perform the services described in Consultant's February 11, 2025 Proposal (attached to this Amendment No. 1 as Exhibit A-1). Consultant shall provide such services at the time, place, and in the manner specified in Exhibit A-1, subject to the direction of the City through its staff that it may provide from time to time.

2. Section 3, Compensation, of the Original Agreement is hereby amended to read in its entirety as follows:

Compensation to be paid to Consultant shall be in accordance with the fees set forth in Consultants' Proposal dated June 26, 2024 (Exhibit A to the Original Agreement) and, for purposes of Amendment No. 1, in accordance with the fees set forth in Consultant's Proposal dated February 11, 2025 (attached as Exhibit A-1 to Amendment No. 1). In no event shall Consultant's total compensation for services provided pursuant to this Agreement, as amended, exceed eighty-seven thousand four hundred dollars (\$87,400) without additional written authorization from the City.

Notwithstanding any provision of Consultant's Proposal to the contrary, out of pocket expenses set forth in Exhibit A-1 respectively, shall be reimbursed at cost without an inflator or administrative charge. Payment by City under this Agreement shall not be deemed a waiver of defects, even if such defects were known to the City at the time of payment.

3. Except for the changes specifically set forth herein, all other terms and conditions of the Original Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have caused this Amendment No. 1 to be executed on the respective dates set forth below.

CONSULTANT'S PROPOSAL

[ATTACHED]

February 11, 2025

Mr. Carlos Serna, Associate Planner
City of Lake Elsinore
130 South Main Street
Lake Elsinore, CA 92530

RE: AMENDMENT #1-Proposal for Additional Services for the Riverside Drive Apartments Project

Dear Mr. Serna,

Kimley-Horn and Associates, Inc. ("Kimley-Horn" or "Consultant") has prepared this letter agreement (the "Agreement") to the City of Lake Elsinore ("Client") for providing additional professional services related to the proposed Riverside Drive Apartments Project, as described below.

Scope of Work

TASK 1: Additional Technical Study Review

Kimley-Horn proposed to peer review the Air Quality, Greenhouse Gas, Energy, Noise, Biological Resources, Cultural Resources, and Phase I Environmental Site Assessment Technical Studies for the Project. After initial review of the aforementioned documents, Kimley-Horn provided the City of Lake Elsinore with extensive comments on the Air Quality, Greenhouse Gas, Energy, Noise, and Phase I Environmental Site Assessment Technical Studies. In response to our comments, the Project Applicant opted to have new studies prepared instead of updating the existing studies. This required Kimley-Horn to complete full reviews of the new technical studies (Air Quality, Greenhouse Gas, Energy, Noise, and Phase I Environmental Site Assessment), which was not accounted for in our original scope of work. We had only scoped to complete an initial review and a final review of the same technical studies. Kimley-Horn requests additional budget to cover the second full review of the Air Quality, Greenhouse Gas, Energy, Noise, and Phase I Environmental Site Assessment technical studies.

Fee Estimate

Kimley-Horn proposes to complete the above scope of work on a time and materials basis as follows:

Task 1: Additional Technical Study Peer Review \$8,800

Total Fee **\$8,800**

We appreciate the opportunity to provide these services to you. Please contact me if you have any questions.

Sincerely,

KIMLEY-HORN AND ASSOCIATES, INC.

AGREEMENT FOR PROFESSIONAL SERVICES

Kimley-Horn and Associates, Inc

Environmental Documentation for the Riverside Drive Apartments Project

This Agreement for Professional Services (the "Agreement") is made and entered into as of July 23, 2024, by and between the City of Lake Elsinore, a municipal corporation ("City") and Kimley-Horn and Associates, Inc., a North Carolina Corporation ("Consultant").

RECITALS

- A. The City has determined that it requires the following professional services:
CEQA consulting services for the Riverside Drive Apartments ("Project").
- B. Consultant has submitted to City a proposal, dated June 26, 2024, attached hereto as Exhibit A ("Consultant's Proposal") and incorporated herein, to provide professional services to City pursuant to the terms of this Agreement.
- C. Consultant possesses the skill, experience, ability, background, certification and knowledge to perform the services described in this Agreement on the terms and conditions described herein.
- D. City desires to retain Consultant to perform the services as provided herein and Consultant desires to provide such professional services as set forth in this Agreement.

AGREEMENT

1. Scope of Services. Consultant shall perform the services described in Consultant's Proposal (Exhibit A). Consultant shall provide such services at the time, place, and in the manner specified in Consultant's Proposal, subject to the direction of the City through its staff that it may provide from time to time.

2. Time of Performance.

a. Time of Essence. Time is of the essence in the performance of this Agreement. The time for completion of the professional services to be performed by Consultant is an essential condition of this Agreement. Consultant shall prosecute regularly and diligently the professional services contemplated pursuant to this Agreement according to the agreed upon performance schedule in Consultant's Proposal (Exhibit A). This Agreement is made in anticipation of conditions permitting continuous and orderly progress through completion of services. Times for performance shall be extended as necessary for delays or suspension is due to circumstances that the Consultant does not control. Consultant shall not have liability for any delays, expenses, losses, damages or be deemed in breach for liabilities which are caused by any factor outside of its reasonable control, including but not limited to natural disasters, epidemics, pandemics, quarantine restrictions, adverse weather, or acts of third parties, or governmental agencies.

b. Performance Schedule. Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the Consultant's Proposal (Exhibit A). When requested by Consultant, extensions to the time period(s) specified may be approved in writing by the City Manager.

c. Term. The term of this Agreement shall commence upon execution of this Agreement and shall continue until the services and related work are completed in accordance with the Consultant's Proposal (Exhibit A).

3. Compensation. Compensation to be paid to Consultant shall be in accordance with the fees set forth in Consultants' Proposal (Exhibit A), which is attached hereto and incorporated herein by reference. In no event shall Consultant's compensation exceed seventy-eight thousand six hundred dollars (\$78,600) without additional written authorization from the City. Notwithstanding any provision of Consultant's Proposal to the contrary, out of pocket expenses set forth in Exhibit A shall be reimbursed at cost without an inflator or administrative charge. Payment by City under this Agreement shall not be deemed a waiver of defects, even if such defects were known to the City at the time of payment.

4. Method of Payment. Consultant shall promptly submit billings to the City describing the services and related work performed during the preceding month to the extent that such services and related work were performed. Consultant's bills shall be segregated by project task, if applicable, such that the City receives a separate accounting for work done on each individual task for which Consultant provides services. Consultant's bills shall include a brief description of the services performed, the date the services were performed, the number of hours spent and by whom, and a description of any reimbursable expenditures. City shall pay Consultant no later than forty-five (45) days after receipt of the monthly invoice by City staff.

5. Background Checks. At any time during the term of this Agreement, the City reserves the right to make an independent investigation into the background of Consultant's personnel who perform work required by this Agreement, including but not limited to their references, character, address history, past employment, education, social security number validation, and criminal or police records, for the purpose of confirming that such personnel are lawfully employed, qualified to provide the subject service or pose a risk to the safety of persons or property in and around the vicinity of where the services will be rendered or City Hall. If the City makes a reasonable determination that any of Consultant's prospective or then current personnel is deemed objectionable, then the City may notify Consultant of the same. Consultant shall not use that personnel to perform work required by this Agreement, and if necessary, shall replace him or her with a suitable worker.

6. Suspension or Termination.

a. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Consultant at least ten (10) days prior written notice. Upon receipt of such notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement such suspension or termination shall not make void or invalidate the remainder of this Agreement.

b. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Consultant the actual value of the work performed up to the time of termination,

provided that the work performed is of value to the City. Upon termination of the Agreement pursuant to this Section, the Consultant will submit an invoice to the City, pursuant to Section entitled "Method of Payment" herein.

7. Plans, Studies, Documents.

a. Ownership of Documents. All plans, studies, documents and other writings prepared by and for Consultant, its officers, employees and agents and subcontractors in the course of implementing this Agreement, except working notepad internal documents, shall become the property of the City upon payment to Consultant for such work, and the City shall have the sole right to use such materials in its discretion without further compensation to Consultant or to any other party. Consultant shall, at Consultant's expense, provide such reports, plans, studies, documents and other writings to City upon written request. City shall have sole determination of the public's rights to documents under the Public Records Act, and any third-party requests of Consultant shall be immediately referred to City, without any other actions by Consultant.

b. Licensing of Intellectual Property. This Agreement creates a nonexclusive and perpetual license for City to copy, use, modify, reuse, or sublicense any and all copyrights, designs, and other intellectual property embodied in plans, specifications, studies, drawings, estimates, and other documents or works of authorship fixed in any tangible medium of expression, including but not limited to, physical drawings or data magnetically or otherwise recorded on computer diskettes, which are prepared or caused to be prepared by Consultant under this Agreement ("Documents & Data"). Consultant shall require that all subcontractors agree in writing that City is granted a nonexclusive and perpetual license for any Documents & Data the subcontractor prepares under this Agreement. Consultant represents and warrants that Consultant has the legal right to license any and all Documents & Data. Consultant makes no such representation and warranty in regard to Documents & Data which were prepared by design professionals other than Consultant or provided to Consultant by the City. City shall not be limited in any way in its use of the Documents & Data at any time, provided that any such use not within the purposes intended by this Agreement shall be at City's sole risk.

c. Confidentiality. All ideas, memoranda, specifications, plans, procedures, drawings, descriptions, computer program data, input record data, written information, and other Documents & Data either created by or provided to Consultant in connection with the performance of this Agreement shall be held confidential by Consultant. Such materials shall not, without the prior written consent of City, be used by Consultant for any purposes other than the performance of the services under this Agreement. Nor shall such materials be disclosed to any person or entity not connected with the performance of the services under this Agreement. Nothing furnished to Consultant which is otherwise known to Consultant or is generally known, or has become known, to the related industry shall be deemed confidential. Consultant shall not use City's name or insignia, photographs relating to project for which Consultant's services are rendered, or any publicity pertaining to the Consultant's services under this Agreement in any magazine, trade paper, newspaper, television or radio production or other similar medium without the prior written consent of City.

8. Consultant's Books and Records.

a. Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services, or expenditures and disbursements charged to City for a minimum period of three (3)

years, or for any longer period required by law, from the date of final payment to Consultant to this Agreement.

b. Consultant shall maintain all documents and records which demonstrate performance under this Agreement for a minimum period of three (3) years, or for any longer period required by law, from the date of termination or completion of this Agreement.

c. Any records or documents required to be maintained pursuant to this Agreement shall be made available for inspection or audit, at any time during regular business hours, upon written request by the City Manager, City Attorney, City Auditor or a designated representative of these officers. Copies of such documents shall be provided to the City for inspection at City Hall when it is practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records shall be available at Consultant's address indicated for receipt of notices in this Agreement.

d. Where City has reason to believe that such records or documents may be lost or discarded due to dissolution, disbandment or termination of Consultant's business, City may, by written request by any of the above-named officers, require that custody of the records be given to the City and that the records and documents be maintained in City Hall. Access to such records and documents shall be granted to any party authorized by Consultant, Consultant's representatives, or Consultant's successor-in-interest.

9. Independent Contractor.

a. Consultant is and shall at all times remain as to the City a wholly independent contractor pursuant to California Labor Code Section 3353. The personnel performing the services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Neither City nor any of its officers, employees, or agents shall have control over the conduct of Consultant or any of Consultant's officers, employees, or agents, except as set forth in this Agreement. Consultant shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of the City. Consultant shall not incur or have the power to incur any debt, obligation, or liability whatsoever against City, or bind City in any manner.

b. Notwithstanding any other federal, state and local laws, codes, ordinances and regulations to the contrary and except for the fees paid to Consultant as provided in the Agreement, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

11. Interests of Consultant. Consultant (including principals, associates and professional employees) covenants and represents that it does not now have any investment or interest in real property and shall not acquire any interest, direct or indirect, in the area covered by this Agreement or any other source of income, interest in real property or investment which would be affected in any manner or degree by the performance of Consultant's services hereunder. Consultant further covenants and represents that in the performance of its duties hereunder no person having any such interest shall perform any services under this Agreement.

Consultant is not a designated employee within the meaning of the Political Reform Act because Consultant:

a. will conduct research and arrive at conclusions with respect to his/her rendition of information, advice, recommendation or counsel independent of the control and direction of the City or of any City official, other than normal agreement monitoring; and

b. possesses no authority with respect to any City decision beyond rendition of information, advice, recommendation or counsel. (FPPC Reg. 18700(a)(2).)

12. Professional Ability of Consultant. City has relied upon the professional training and ability of Consultant to perform the services hereunder as a material inducement to enter into this Agreement. Consultant shall therefore provide properly skilled professional and technical personnel to perform all services under this Agreement. All work performed by Consultant under this Agreement shall be in accordance with applicable legal requirements and shall meet the standard of quality ordinarily to be expected of competent professionals in Consultant's field of expertise.

13. Compliance with Laws.

a. Consultant shall comply with all local, state and federal laws and regulations applicable to the services required hereunder, including any rule, regulation or bylaw governing the conduct or performance of Consultant and/or its employees, officers, or board members.

b. Consultant represents that it has obtained and will maintain at all times during the term of this Agreement all professional and/or business licenses, certifications and/or permits necessary for performing the services described in this Agreement, including a City business license.

14. Licenses. Consultant represents and warrants to City that it has the licenses, permits, qualifications, insurance and approvals of whatsoever nature which are legally required of Consultant to practice its profession. Consultant represents and warrants to City that Consultant shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, insurance and approvals which are legally required of Consultant to practice its profession. Consultant shall maintain a City of Lake Elsinore business license.

15. Indemnity. Consultant shall indemnify, defend, and hold harmless the City and its officials, officers, employees, agents, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts

or omissions of Consultant or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Consultant shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises from the sole negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Consultant or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Consultant to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Consultant from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Consultant acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

16. Insurance Requirements.

a. Insurance. Consultant, at Consultant's own cost and expense, shall procure and maintain, for the duration of the contract, unless modified by the City's Risk Manager, the following insurance policies.

i. Workers' Compensation Coverage. Consultant shall maintain Workers' Compensation Insurance and Employer's Liability Insurance for his/her employees in accordance with the laws of the State of California. In addition, Consultant shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. Any notice of cancellation or non-renewal of all Workers' Compensation policies must be received by the City at least thirty (30) days prior to such change. The insurer shall agree to waive all rights of subrogation against City, its officers, agents, employees and volunteers for losses arising from work performed by Consultant for City. In the event that Consultant is exempt from Worker's Compensation Insurance and Employer's Liability Insurance for his/her employees in accordance with the laws of the State of California, Consultant shall submit to the City a Certificate of Exemption from Workers Compensation Insurance in a form approved by the City Attorney.

ii. General Liability Coverage. Consultant shall maintain commercial general liability insurance in an amount not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Required commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (ed. 11/88) or Insurance Services Office form number GL 0002 (ed. 1/73) covering comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability. No endorsement may be attached limiting the coverage.

iii. Automobile Liability Coverage. Consultant shall maintain automobile liability insurance covering bodily injury and property damage for all activities of the Consultant arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence. Automobile liability coverage must be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (ed. 12/90) Code 1 ("any auto"). No endorsement may be attached limiting the coverage.

iv. Professional Liability Coverage. Consultant shall maintain professional errors and omissions liability insurance appropriate for Consultant's profession for protection against claims alleging negligent acts, errors or omissions which may arise from Consultant's services under this Agreement. The amount of this insurance shall not be less than one million dollars (\$1,000,000) on a claims-made annual aggregate basis, or a combined single limit per occurrence basis.

b. Endorsements. Each general liability and automobile liability insurance policy shall be with insurers possessing a Best's rating of no less than A:VII and shall be endorsed with the following specific language:

i. Notwithstanding any inconsistent statement in any required insurance policies or any subsequent endorsements attached thereto, the protection offered by all policies, except for Workers' Compensation, shall bear an endorsement whereby it is provided that, the City and its officers, employees, servants, volunteers and agents and independent contractors, including without limitation, the City Manager and City Attorney, are named as additional insureds. Additional insureds shall be entitled to the full benefit of all insurance policies in the same manner and to the same extent as any other additional insureds and there shall be no limitation to the benefits conferred upon them other than policy limits to coverages.

ii. This policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have, shall be considered excess insurance only and shall not contribute with it.

iii. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

iv. The insurer waives all rights of subrogation against the City, its elected or appointed officers, officials, employees or agents.

v. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

vi. The insurance provided by this Policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the City.

c. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the City's option, Consultant shall demonstrate financial capability for payment of such deductibles or self-insured retentions.

d. Certificates of Insurance. Consultant shall provide certificates of insurance with original endorsements to City as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the City on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the City at all times during the term of this Agreement.

17. Notices. Any notice required to be given under this Agreement shall be in writing and either served personally or sent prepaid, first class mail. Any such notice shall be addressed to the other party at the address set forth below. Notice shall be deemed communicated within 48 hours from the time of mailing if mailed as provided in this section.

If to City: City of Lake Elsinore
Attn: City Manager
130 South Main Street
Lake Elsinore, CA 92530

With a copy to: City of Lake Elsinore
Attn: City Clerk
130 South Main Street
Lake Elsinore, CA 92530

If to Consultant: Kimley-Horn and Associates, Inc
Attn: John Pollock
3801 University Avenue, Suite 300
Riverside, CA 92501

18. Assignment and Subcontracting. The parties recognize that a substantial inducement to City for entering into this Agreement is the professional reputation, experience and competence of Consultant and the subcontractors listed in Exhibit B. Consultant shall be fully responsible to City for all acts or omissions of any subcontractors. Assignments of any or all rights, duties or obligations of the Consultant under this Agreement will be permitted only with the express consent of the City. Consultant shall not subcontract any portion of the work to be performed under this Agreement except as provided in Exhibit B without the written authorization of the City. If City consents to such subcontract, Consultant shall be fully responsible to City for all acts or omissions of those subcontractors. Nothing in this Agreement shall create any contractual relationship between City and any subcontractor nor shall it create any obligation on the part of the City to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.

19. Waiver. Waiver of a breach or default under this Agreement shall not constitute a continuing waiver of a subsequent breach of the same or any other provision under this Agreement.

20. Litigation Expenses and Attorneys' Fees. If either party to this Agreement commences any legal action against the other party arising out of this Agreement, the prevailing party shall be entitled to recover its reasonable litigation expenses, including court costs, expert witness fees, discovery expenses, and attorneys' fees.

21. Mediation. The parties agree to make a good faith attempt to resolve any disputes arising out of this Agreement through mediation prior to commencing litigation. The parties shall mutually agree upon the mediator and share the costs of mediation equally. If the parties are unable to agree upon a mediator, the dispute shall be submitted to JAMS or its successor in interest. JAMS shall provide the parties with the names of five qualified mediators. Each party shall have the option to strike two of the five mediators selected by JAMS and thereafter the mediator remaining shall hear the dispute. If the dispute remains unresolved after mediation, either party may commence litigation.

22. Prohibited Interests. Consultant maintains and warrants that it has not employed nor retained any company or person, other than a bona fide employee working solely for Consultant, to solicit or secure this Agreement. Further, Consultant warrants that it has not paid nor has it agreed to pay any company or person, other than a bona fide employee working solely for Consultant, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, City shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of City, during the term of his or her service with City, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

23. Equal Opportunity Employment. Consultant represents that it is an equal opportunity employer and it shall not discriminate against any subcontractor, employee or applicant for employment because of race, religion, color, national origin, handicap, ancestry, sex or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

24. Prevailing Wages. Consultant is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq., as well as California Code of Regulations, Title 8, Section 16000, et seq., ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on "public works" and "maintenance" projects. Consultant agrees to fully comply with all applicable federal and state labor laws (including, without limitation, if applicable, the Prevailing Wage Laws). It is agreed by the parties that, in connection with the Work or Services provided pursuant to this Agreement, Consultant shall bear all risks of payment or non-payment of prevailing wages under California law, and Consultant hereby agrees to defend, indemnify, and hold the City, and its officials, officers, employees, agents, and volunteers, free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws. The foregoing indemnity shall survive termination of this Agreement.

25. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

26. Controlling Law Venue. This Agreement and all matters relating to it shall be governed by the laws of the State of California and any action brought relating to this Agreement shall be held exclusively in a state court in the County of Riverside.

27. Authority to Enter Agreement. Consultant has all requisite power and authority to conduct its business and to execute, deliver, and perform the Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to

make this Agreement and to bind each respective party. The City Manager is authorized to enter into an amendment or otherwise take action on behalf of the City to make the following modifications to the Agreement: (a) a name change; (b) grant extensions of time; (c) non-monetary changes in the scope of services; and/or (d) suspend or terminate the Agreement.

28. Counterparts. This Agreement may be executed in several counterparts, each of which shall constitute one and the same instrument and shall become binding upon the parties when at least one copy hereof shall have been signed by both parties hereto. In approving this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

29. Entire Agreement; Incorporation; Conflict. This Agreement contains the entire understanding between the parties relating to the obligations described herein. All prior or contemporaneous understandings, agreements, representations and statements, oral or written, are superseded in total by this Agreement and shall be of no further force or effect. Consultant's Proposal is incorporated only for the description of the scope of services and/or the schedule of performance and no other terms and conditions from such proposal shall apply to this Agreement unless specifically agreed to in writing. In the event of conflict, this Agreement shall take precedence over those contained in the Consultant's Proposal.

30. Amendments. This Agreement may be modified or amended only by a written document executed by both Consultant and City and approved as to form by the City Attorney.

[Signatures on next page]

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the date first written above.

June 26, 2024

Mr. Carlos Serna-Ortiz, Associate Planner
City of Lake Elsinore
Community Development Department
130 South Main Street
Lake Elsinore, CA 92530

RE: REVISED-Proposal for the Preparation of an anticipated Initial Study/Mitigated Negative Declaration and Associated Technical Studies for the Riverside Drive Apartment Project

Dear Mr. Serna-Ortiz:

Please find attached our proposal to California Environmental Quality Act (CEQA) services for the Riverside Drive Apartment Project (Project).

Our scope, schedule, and fee is based on our understanding of the Project and City of Lake Elsinore (City) review process as set forth in the Project Request For Proposals (RFP) dated Wednesday, May 8, 2024, as well as follow up conversations with City staff.

The City needs a consultant who understands and recognizes the unique environmental needs of residential developments, and who is a recognized leader in providing California Environmental Quality Act (CEQA) documentation. Our Kimley-Horn project team has substantial experience assisting local municipalities with all aspects of environmental review and project implementation, including complex EIRs and MNDs for similar projects in Lake Elsinore and throughout the Inland Empire. The Kimley-Horn team also includes **ELMT Consulting** for biological resources support. Kimley-Horn currently has an on call contract with the City for planning services.

The Riverside Drive Apartment project proposes a 92-unit multi-family residential apartment complex consisting of 12 two-story buildings, a clubhouse/leasing office, swimming pool and other amenities, as well as 190 parking spaces and related site improvements located on a 4.95-acre site in the Residential Mixed-Use zone. The project is located north of Eisenhower Drive and south of Lake Crest Drive on Riverside Drive and is more specifically known as 32281 Riverside Drive within the City of Lake Elsinore.

The following scope of work assumes that a CEQA 15183 Consistency Analysis will be prepared to satisfy CEQA requirements. If any of the technical studies prepared by Kimley-Horn and/or third parties determine that the project will result in significant and unavoidable impacts, Kimley-Horn would prepare an Environmental Impact Report (EIR) scope of work at that time.

SCOPE OF WORK**Task 1. Project Kickoff**

The Kimley-Horn environmental team will review available Project information, plans and studies, as well as other available relevant information. Kimley-Horn will confirm the overall approach and schedule with the City.

Task 2. Prepare Project Description

The Kimley-Horn environmental team will use information obtained in Task 1 and work closely with City staff to prepare a draft Project Description for the California Environmental Quality Act (CEQA) document. The Project Description will be prepared to the level of detail required by the City for the entitlement approvals being sought. The draft Project Description will be sent to the City for review and will be used as the basis for the Consistency Analysis.

Task 3. Peer Review of Technical Studies**A) Peer Review of Biological Resources Assessment/MSHCP Consistency Analysis**

Kimley-Horn has retained the services of ELMT to peer review the Biological Resources Assessment/MSCHP Consistency Analysis.

ELMT will conduct a peer review of the previously prepared HA-MSHCP for the proposed project. ELMT will first verify the technical references/databases reviewed prior to conducting an on-site field investigation.

Following the initial review of the technical report, an on-site field investigation will be conducted to verify the biological resources documented in the technical report and to ensure field conditions remain the same. The field investigation will verify the extent of vegetation mapping, suitability of the habitat to support special-status plant and wildlife species, and proposed impacts to biological resources, if any.

ELMT will prepare a third-party peer review memorandum that will include a comprehensive review of the prepared report for technical accuracy, completeness of the impact assessment, and adequacy of any proposed mitigation measures and/or permit requirements. If concerns are noted, ELMT will recommend actions to correct the noted concern or concerns. ELMT will respond to two (2) sets of comments and update the peer review memorandum as appropriate to address all comments. This task will be billed on a time and materials basis and provides a not-to-exceed amount.

B) Peer Review of Cultural Resources Assessment

Kimley-Horn and Associates, Inc. (KHA) will conduct a peer review for one (1) provided Cultural and Paleontological Resources Assessment for the proposed Project. Scope includes one review cycle and the review will focus on the appropriateness/thoroughness of the methodology and analysis, whether the conclusions are supported by factual/credible evidence, and whether the analysis meets the applicable provisions of CEQA and the State CEQA Guidelines. Kimley-Horn will draft a memo outlining findings of the peer review and any recommendations (i.e. report updates, additional work, etc.). This scope does not include any meetings to discuss the results of the peer review, responses to comments on the peer review memo, additional written deliverables, etc. Any effort beyond the outlined peer review and associated memo will necessitate a scope/budget change.

C) Peer Review of Air Quality, Greenhouse Gas, Energy, Noise Assessments

Kimley-Horn will peer review the Air Quality, Greenhouse Gas, Energy, and Noise Assessment Reports prepared for the Project. The peer reviews will focus on the appropriateness/thoroughness of the methodology and analysis, whether the analysis' conclusions are supported by factual/credible evidence, and whether the analysis meets the applicable provisions of CEQA and the State CEQA Guidelines. For each peer review, Kimley-Horn will:

- Evaluate the adequacy of the methods used to conduct the various parts of the Noise Assessment concerning regulatory standards and the State CEQA Guidelines. Our analysis will focus on the appropriateness/thoroughness of the methodology and analysis; whether the analysis conclusions are supported by factual/credible evidence; and whether the analysis meets the requirements under applicable provisions of the CEQA and State CEQA Guidelines;
- Evaluate the consultant's recommendations and conclusions based on State CEQA Guidelines, City CEQA procedures, and State and federal laws as applicable;
- Prepare a Draft Memorandum to present peer review findings and make recommendations;
- Conduct follow-up review of the revised technical study to verify the Draft Memorandum recommendations have been incorporated; and
- Prepare a Final Memorandum to substantiate compliance with the Draft Memorandum recommendations.

D) Peer Review of Phase I Environmental Site Assessment

Kimley-Horn will peer review the applicant's Phase I Environmental Site Assessment. The Report will be peer-reviewed for accuracy as well as compliance with CEQA Threshold requirements. A peer review memorandum will be prepared and submitted to City staff for review.

Task 4. Draft CEQA Section 15183 Consistency Analysis

Based on review of the project application materials, the project may qualify for a consistency evaluation pursuant to State CEQA Guidelines Section 15183 Projects Consistent with a Community Plan or Zoning, based on the project's consistency with the adopted City of Lake Elsinore General Plan and General Plan EIR. The environmental document for the proposed project would be based on the certified City of Lake Elsinore General Plan EIR. Section 15183 of the State CEQA Guidelines provides the most flexibility for projects that have some variations relative to the original environmental document. Using the requirements of this section, we would utilize the supporting site development plans, architectural renderings, and other project specific (technical) studies prepared by the applicant and Kimley-Horn to demonstrate where the conclusions and mitigation measures in the previously certified EIR would remain valid, and to validate/rule out the need for additional analysis and/or new mitigation measures to meet current regulatory and/or City requirements.

Kimley-Horn will complete the CEQA Initial Study and Environmental Checklist as the means to substantiate the CEQA direction anticipated. Kimley-Horn will complete the Initial Study Checklist in accordance with CEQA Guidelines and in accordance with City of Lake Elsinore format/procedural requirements. We fully anticipate that the Scope of the Initial Study will be reviewed/vetted by and with City Staff to ensure concurrence on approach, completeness, and to verify/validate current IS/Environmental Checklist format and procedures.

Given the size, characteristics, and location of the project, we anticipate the technical memoranda (to be provided by the applicant) would serve as a "consistency" analysis of the project with the UCSP EIR assumptions, thresholds, and environmental parameters. Further, as part of this analysis, Kimley-Horn will also assess whether or not the requested entitlements would trigger any new environmental effects that fall into the following categories:

- Are new impacts created that are peculiar to the project or the parcel on which the project is located?
- Are new impacts or more significant impacts created that were not analyzed as significant effects in the prior EIR?
- Are new or potentially significant off-site impacts or cumulative impacts which were not analyzed in the prior EIR? And,

- Are previously identified significant effects which, as a result of substantial new information, are determined to have a more severe adverse impact than discussed in the prior EIR?

Following review of the technical memorandums, Kimley-Horn will meet with City Staff to discuss the findings and determine the appropriate CEQA documentation to be prepared (Section 15183 analysis, Mitigated Negative Declaration or Negative Declaration). If new environmental effects based on the categories above are identified, a Section 15183 analysis will not be applicable, and instead, a Mitigated Negative Declaration would be anticipated, and could be provided under a separate scope and fee.

As identified above, the Initial Study will form the basis for the Environmental Analysis discussion and will provide the necessary background for determining the potential for significant environmental effects associated with the proposed project. Each of the topics identified on the environmental assessment form contained in the State CEQA Guidelines will be evaluated to document the nature and extent of any potential environmental consequences and the need for mitigation. Many of the issue areas addressed in the Initial Study will not have the potential for significant effects (i.e., “No Impact” or “Less than Significant Impact”) due to the type and size of the proposed project. However, the document will address any potential impacts under all environmental issues. The specific purpose of the analysis in the Initial Study will be to identify all potential significant adverse environmental impacts and incorporate any necessary mitigation measures to reduce or eliminate any adverse consequences.

Kimley-Horn will prepare a draft Initial Study/ Section 15183 Consistency Analysis document to include the following sections:

- **Introduction.** This section will introduce the Initial Study, describe the purpose of the Initial Study and determination for the preparation of the appropriate environmental document and will provide a brief summary of the findings of the Initial Study.
- **Environmental Setting.** The environmental setting will describe existing physical setting and characteristics of the project site, as well as the setting and character of adjacent land uses and the surrounding area.
- **Project Description.** The project description will provide a detailed, yet concise, description of the proposed project. The purpose and need for the project will be clearly stated, along with the anticipated (community) benefits of the proposed project. Any discretionary actions needed to implement the project will be identified.

- **Environmental Analysis.** This section will provide an expanded discussion of the environmental issues as presented in the Environmental Initial Study checklist. Each checklist question will be presented along with a response. A statement will be provided to clearly support the checklist response to each question. References used as the basis for the analysis will also be listed after each response.

Task 5. Revised CEQA Section 15183 Consistency Analysis

Once the Draft CEQA Section 15183 Consistency Analysis is completed, it will be presented to the City for review and comment. The City will review the information provided in the Consistency Analysis relative to the project and provide comments on the Consistency Analysis. Kimley-Horn will address any comments and submit the updated Consistency Analysis to the City for review and final comment. This scope of work assumes 30 hours of staff time to complete the responses to comments. If the number or nature of the comments require additional time to complete the responses to comments, written authorization from the City will be required to exceed 30 hours. Kimley-Horn will address comments from the City and resubmit the Consistency Analysis. This task assumes up to one consolidated set of comments from the Client and City.

Task 6. Project Management/Meetings

The Kimley-Horn team will be led by Ms. Kari Cano will act as a Project Manager for the duration of the project. Kari has 18 years of CEQA/NEPA experience working with various cities in the Inland Empire, including multiple projects in the City of Lake Elsinore. This task includes attendance at up to two (2) hearings/public meetings for the Project. This task also assumes a total of 35 hours of management and meetings time.

Schedule

Kimley-Horn will expedite the schedule to the extent practical.

Notice to Proceed	Week 1
Prepare Project Description	Week 2
City Review - Draft	Week 2
Peer Review of Technical Studies	Weeks 2-4
Preliminary Draft Consistency Analysis	Weeks 1-8
City Review - Draft	Week 9-11
Address City Review – Draft Comments	Week 12-14
City Review – Final and “OK for Print”	Week 15
Public Hearing/Meeting	Week TBD

Please note this schedule assumes that all technical studies would be provided to Kimley-Horn at Project kickoff. Additionally, this schedule is highly dependent on timely review and responses from City staff. If a separate review process by the Project Applicant or City third-party CEQA reviewer or legal counsel is desired, the schedule and fee estimate may be increased to allow for additional coordination and review/revision time.

Fee Estimate

Kimley-Horn proposes to complete the above scope of work on a lump-sum basis with the assumptions as noted above, as follows:

Task 1: Project Kickoff	\$1,500
Task 2: Project Description	\$2,500
Task 3: Technical Studies	\$20,600
A) Peer Biological Resources/MSHCP Consistency	\$2,900
B) Peer Review Cultural Resources Assessment	\$1,600
C) Peer Review AQ/GHG/Noise/Energy	\$14,300
D) Peer Review Phase I ESA	\$1,800
Task 4: Draft CEQA Section 15183 Consistency	\$36,600
Task 5: Revised CEQA Section 15183 Consistency	\$8,500
Task 6: Project Management/Meetings	\$8,900
Total Fee	\$78,600

We look forward to the opportunity to work with the City on this Project. Should you have any questions or require additional information, please contact Project Manager, Ms. Kari Cano at (951) 543-9869 or via email at kari.cano@kimley-horn.com.

Sincerely,

Kari Cano, Project Manager

Kevin Thomas, CEP, ENV SP

Resumes of Key Staff

Kari Cano

Project Manager

Kari Cano has 18 years of experience as an environmental planner, and is responsible for preparing and managing environmental and planning studies for public and private sector clients, under the California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA). She comes to the field of planning/environmental planning from a diverse background in urban development and political science. With an in-depth understanding of state and local policies, she provides CEQA compliance review and environmental documentation, in addition to research, analysis, and writing. Her experience includes the analysis of commercial, recreational, industrial, and residential projects in the counties of San Bernardino, Los Angeles, Riverside, Ventura, San Diego, and San Joaquin.

**Travis J. McGill, ELMT Consulting
Biologist/Regulatory Specialist**

Mr. Travis McGill specializes in conducting due diligence surveys, habitat assessments, preparing biological technical reports, botanical surveys, protocol listed species surveys, and assisting with environmental permitting and compliance for both public and private sector clients. He assists clients in compliance with a range of environmental regulations, including the California Environmental Quality, National Environmental Policy Act, and State and Federal Endangered Species Acts. He also has experience preparing and processing federal and State Incidental Take Permits through the United States Fish and Wildlife Service (Section 7 and Section 10 of the Federal Endangered Species Act) and California Department of Fish and Game (Section 2080.1, 2081, subds. (b){c} of the Fish and Game Code).

Mr. McGill conducts delineations of state and federal jurisdictional waters and helps clients through the regulatory permit process pursuant to Sections 404 and 401 of the Clean Water Act, the California Porter-Cologne Water Quality Control Act, and Section 1602 et. seq. of the California Fish and Game Code. Mr. McGill has effectively drafted and processed numerous state and federal regulatory applications for residential, restoration, commercial, flood control, institutional, and transportation projects. Mr. McGill also performs California Rapid Assessment Method analyses on riverine and depressional areas to identify the functionality of a drainage system.

Mr. McGill also prepares and conducts Worker Education Training programs, biological monitoring, and nesting bird and burrowing owl clearance surveys in compliance with the federal Migratory Bird Treaty Act and California Fish and Game Code Section 3503, 3503.5, and 3513.

Project Experience

Salt Creek Trail Project, Cities of Menifee and Hemet, California. *County of Riverside Transportation Department.* Biologist/Regulatory Specialist. The County proposes to construct and operate two (2) segments of the Salt Creek Trail, which will contribute to the County's ultimate goal for an approximately 16-mile-long multi-use trail connecting the cities of Hemet and Menifee. The Project offers an alternative to gasoline-powered

vehicle trips, which is key to achieving state and local air quality objectives. Mr. McGill prepared the Caltrans Natural Environment Study, jurisdictional delineation, sensitive plant survey, Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) consistency analysis, Determination of Biologically Equivalent or Superior Preservation (DBESP), and regulatory permits for the project. In addition, Mr. McGill attended several of the Western Riverside County Regional Conservation Authority (RCA) pre-application meetings to ensure project consistency with the MSHCP and negotiate the mitigation requirements for impacts to jurisdictional waters. Based on negotiations with the RCA and regulatory agencies, Mr. McGill prepared a Habitat Mitigation Monitoring and Reporting Plan to satisfy the mitigation requirements for the project.

Interstate 10/Avenue 50 Interchange Project, City Coachella, California. *City of Coachella.* Biologist/Regulatory Specialist. The project includes the construction of a new interchange at Interstate 10 (I-10) and Avenue 50, from PM R62.3 to R63.7, within the limits of the City of Coachella (City) in the County of Riverside. The proposed interchange is located approximately 3.4 miles east of the existing I-10/Dillon Road interchange (PM 58.9) and approximately 12.7 miles west of the existing I-10/Aqueduct Wash interchange (PM 75.0). Within the limits of the project, I-10 is a four-lane freeway with a median running down the center and no High Occupancy Vehicle (HOV) facilities. Mr. McGill conducted and prepared the delineation of State and federal jurisdictional waters report and two Caltrans Natural Environment Study-Minimal Impact (NES-MI) reports for the Aerially Deposited Lead and Geotechnical Borings portions of the project. The NES-MI reports included a Coachella Valley MSHCP Consistency Analysis to demonstrate the project's consistency with the Coachella Valley MSHCP. Mr. McGill successfully delineated the jurisdictional boundaries of the drainage features on-site and documented the biological resources occurring within the Biological Study Area. As part of the NES-MI report, Mr. McGill helped prepare a project impact analysis that included quantifying project impacts and outlining a permitting strategy for impacts to jurisdictional waters. Mr. McGill successfully processed and obtained the Approved Jurisdictional Determination through the U.S. Army Corps of Engineers documenting that the drainage features on-site did not qualify as "Waters of the U.S".

Date Palm Drive Bridge over Whitewater River Cathedral City, California. *City of Cathedral City.* Biologist/Regulatory Specialist. The project included the widening of Date Palm Drive from four to six lanes adding sidewalks, bicycle lanes, and a central median. Mr. McGill conducted and helped prepare the delineation of State and federal jurisdictional waters report and Caltrans Natural Environment Study-Minimal Impact (NES-MI) for the project, which included a Coachella Valley MSHCP Consistency Analysis. Mr. McGill successfully delineated the jurisdictional boundaries of the Whitewater River and documented the biological resources occurring within the Biological Study Area. As part of the NES-MI report, Mr. McGill helped prepare a project impact analysis that included quantifying project impacts and outlining a permitting strategy for impacts to jurisdictional waters. Mr. McGill helped draft the resource agency permits through the California Department of Fish and Wildlife (Section 1602 Streambed Alteration Agreement), the Regional

Water Quality Control Board (Section 401 Water Quality Certification), and the U.S. Army Corps of Engineers (Section 404 Nationwide Permit) for impacts occurring within the Whitewater River.

Sycamore Canyon Business Park Project, City of Riverside, California. *Hillwood Investment Properties.* Biologist/Regulatory Specialist. The project would include the construction of two commercial warehouse buildings and associated infrastructure. In addition, multiple detention basins would be construction along the perimeter of the project site to treat surface runoff prior to being discharges off-site. Mr. McGill helped prepare the Delineation of State and Federal Jurisdictional Waters Report and Least Bell's Vireo focused survey reports for the project and assisted with the negotiation efforts with the U.S. Army Corps of Engineers, Regional Water Quality Control Board, and California Department of Fish and Wildlife for impacts to on-site jurisdictional features.

Bautista Recharge Basin Expansion Project, Riverside County, California. *Riverside County Flood Control and Water Conservation District.* Biologist/Regulatory Specialist. The District, in partnership with the Lake Hemet Municipal Water District (LHMWD), proposed to design, construct, operate and maintain the Bautista Recharge Basin Expansion Project as part of an effort to fulfill the District's ongoing goal to promote water conservation and recharge. The recharge project was designed to promote infiltration and increase recharge in the Hemet-San Jacinto Valley groundwater basin areas. Mr. McGill prepared the habitat assessment, jurisdictional delineation, Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) consistency analysis, and Public/Quasi-Public Land Equivalency Analysis for the project.

Renaissance Specific Plan Burrowing Owl Relocation Plan, Rialto, California. *Lewis-Hillwood Rialto Company.* Biologist. The Renaissance Specific Plan was adopted by the City of Rialto in 1997 to provide a long-term strategy for the development of the Rialto Municipal Airport and surrounding area. Currently, Lewis – Hillwood Rialto Company, LLC owns or has an option to buy several of the properties within Renaissance Specific Plan Area. The proposed project included the development of a Town Center, residential housing ranging from low density to high density, a school, public park, a business center, and corporate center. Mr. McGill lead the biological studies for the project which include a general habitat assessment, focused burrowing owl survey, special-status plant suitability assessment, jurisdictional delineation and regulatory permitting. Several burrowing owl were found on the project site during the focused surveys, and Mr. McGill helped prepare a relocation plan that outlined the recommended methods proposed to relocate burrowing owls from the project site and provided measures that would be implemented for the maintenance, monitoring, and reporting of the relocated burrowing owls to increase chances of survivorship and ensure compliance with CDFW guidelines. Once the plan was approved by CDFW, Mr. McGill assisted the San Diego Zoo in the active relocation of the burrowing owls from the project site. The burrowing owls found within the project site were captured and actively relocated to a conservation site within the boundaries of the Western Riverside County MSHCP.

Date Palm Drive Bridge over Whitewater River, Cathedral City, California. *City of Cathedral City.* Biologist/Regulatory Specialist. The project included the widening of Date Palm Drive from four to six lanes adding sidewalks, bicycle lanes, and a central median. Mr. McGill conducted and helped prepare the delineation of State and federal jurisdictional waters report and Caltrans Natural Environment Study-Minimal Impact (NES-MI) for the project, which included a Coachella Valley MSHCP Consistency Analysis. Mr. McGill successfully delineated the jurisdictional boundaries of the Whitewater River and documented the biological resources occurring within the Biological Study Area. As part of the NES-MI report, Mr. McGill helped prepare a project impact analysis that included quantifying project impacts and outlining a permitting strategy for impacts to jurisdictional waters. Mr. McGill helped draft the resource agency permits through the California Department of Fish and Wildlife (Section 1602 Streambed Alteration Agreement), the Regional Water Quality Control Board (Section 401 Water Quality Certification), and the U.S. Army Corps of Engineers (Section 404 Nationwide Permit) for impacts occurring within the Whitewater River.

Relevant Experience

- **Southwest Industrial Park Specific Plan, Fontana, California.** *Fontana, City of.* Environmental Specialist. The original Southwest Industrial Park Specific Plan was composed of four project areas totaling approximately 1,863 acres within the southern portion of the City of Fontana. The updated plan expanded to approximately 3,200 acres, encompassing a mixture of residential, commercial, and industrial uses recently annexed by the City.
- **Warehouse Development Environmental Impact Report, San Bernardino County, California.** *Western Realco.* Environmental Specialist. Responsible for the greenhouse gas analysis and health risk assessment, as well as the air quality and noise peer reviews. The project included the preparation of a focused environmental impact report evaluating air quality, cultural resources, greenhouse gasses, land use, hazardous materials, and transportation to satisfy California Environmental Quality Act requirements. Ace also peer-reviewed applicant-provided technical studies and performed greenhouse gas and health risk assessments. Key environmental concerns included the presence of historic age structures to be demolished, land use changes, air quality impacts on residents and schools, and neighborhood traffic impacts.
- **Garnet Street Bridge Replacement Project (San Bernardino County, California)** Acoustical Analyst. The Garnet Street Bridge Replacement Project analyzed improvements to sections of Garnet Street that included widening the roadway and constructing new asphalt concrete, curb, gutter, sidewalk to accommodate for the wider bridge. Rock riprap would be installed at the bottom and side slopes through the proposed bridge to protect against scour and erosion. The proposed bridge would increase roadway design speeds from 25 miles per hour (mph) to 45 mph.
- **Riverside North Aquifer and Storage Recovery Project, Riverside and San Bernardino C, California.** *City of Riverside.* Environmental Planner. Responsibilities included acoustics and air quality. The project proposes the construction of an inflatable dam across the Santa Ana River, water lines, and groundwater recharge basins for capturing and recharging stormwater and imported water on the City of Riverside's Flume Well Tract.

- **Sycamore Creek Channel Improvements CEQA and Regulatory Services, San Bernardino County, California.** County of San Bernardino. Environmental Specialist. Ace prepared the air quality, greenhouse gas, and noise analyses for the Initial Study/Mitigated Negative Declaration (IS/MND) for the Sycamore Creek Channel Improvements Project for the San Bernardino County Department of Public Works. The project involved the removal of debris (primarily concrete demolition waste) from the northeastern bank of Sycamore Creek, which has been utilized to reduce erosion and stabilize the channel adjacent to the San Bernardino County Sheriff's Department (SBSD) Training Facility and Rehabilitation Center. The proposed improvements would consist of a riprap protection wall that would extend along the entire length of the SBSD Training Facility and Rehabilitation Center.
- **Lincoln Specific Plan Environmental Impact Report, Whittier, California.** *City of Whittier.* Environmental Specialist. Responsibilities included acoustics and air quality. The 76-acre project is primarily located upon the former Fred C. Nelles Youth Correctional Facility, which was originally established in 1891 and ceased operations in 2004. The Environmental Impact Report (EIR) for the Lincoln Specific Plan analyzed a specific plan proposing over 700 dwelling units and 200,000 square feet of commercial/retail development. Associated improvements include open space areas, roadways, utility improvements, and landscaping. Primary environmental issues associated with the project included historical resources, traffic impacts on local and regional roadways, air quality, noise, and hazardous materials.
- **Cox Communications Expansion Project, Poway, California.** *Cox Communications. Noise Specialist.* The project involved the demolition of an existing telecommunications facility and a new building that would include upgraded transformers and two new emergency generators. The noise analysis calculated the noise levels at adjacent residences from emergency generator use and testing as well as the use of other mechanical equipment. The analysis identified specifications for upgraded enclosures for the emergency generators to ensure that noise levels would comply with City standards.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

6/5/2024

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

ENDORSEMENT

This endorsement, effective 12:01 A.M. 04/01/2024
forms a part of Policy No. CA4489663
issued to **KIMLEY-HORN AND ASSOCIATES, INC.**
by **NATIONAL UNION FIRE INSURANCE COMPANY OF PITTSBURGH, PA.**

ADDITIONAL INSURED - WHERE REQUIRED UNDER CONTRACT OR AGREEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

SCHEDULE

ADDITIONAL INSURED:

ANY PERSON OR ORGANIZATION FOR WHOM YOU ARE CONTRACTUALLY BOUND TO PROVIDE
ADDITIONAL INSURED STATUS BUT ONLY TO THE EXTENT OF SUCH PERSON'S OR
ORGANIZATION'S LIABILITY ARISING OUT OF THE USE OF A COVERED AUTO.

**I. SECTION II - COVERED AUTOS LIABILITY COVERAGE, A. Coverage, 1. - Who Is Insured, is
amended to add:**

- d. Any person or organization, shown in the schedule above, to whom you become obligated to include as an additional insured under this policy, as a result of any contract or agreement you enter into which requires you to furnish insurance to that person or organization of the type provided by this policy, but only with respect to liability arising out of use of a covered "auto". However, the insurance provided will not exceed the lesser of:

- (1) The coverage and/or limits of this policy, or
- (2) The coverage and/or limits required by said contract or agreement.

AUTHORIZED REPRESENTATIVE

POLICY NUMBER: GL5268169

COMMERCIAL GENERAL LIABILITY
CG 20 10 12 19

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**ADDITIONAL INSURED - OWNERS, LESSEES OR
CONTRACTORS - SCHEDULED PERSON OR
ORGANIZATION**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
ANY PERSON OR ORGANIZATION WHOM YOU BECOME OBLIGATED TO INCLUDE AS AN ADDITIONAL INSURED AS A RESULT OF ANY CONTRACT OR AGREEMENT YOU HAVE ENTERED INTO.	PER THE CONTRACT OR AGREEMENT.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service,

maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

POLICY NUMBER: GL5268169

COMMERCIAL GENERAL LIABILITY
CG 20 37 12 19**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.****ADDITIONAL INSURED - OWNERS, LESSEES OR
CONTRACTORS - COMPLETED OPERATIONS**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART**SCHEDULE**

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
ANY PERSON OR ORGANIZATION WHOM YOU BECOME OBLIGATED TO INCLUDE AS AN ADDITIONAL INSURED AS A RESULT OF ANY CONTRACT OR AGREEMENT YOU HAVE ENTERED INTO.	PER THE CONTRACT OR AGREEMENT.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

BLANKET WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

This endorsement changes the policy to which it is attached effective on the inception date of the policy unless a different date is indicated below.

(The following "attaching clause" need be completed only when this endorsement is issued subsequent to preparation of the policy).

This endorsement, effective 12:01 AM 04/01/2024 forms a part of Policy No. WC 015-89-3686

Issued to KIMLEY-HORN AND ASSOCIATES, INC.

By **New Hampshire Insurance Company**

We have a right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against any person or organization with whom you have a written contract that requires you to obtain this agreement from us, as regards any work you perform for such person or organization.

The additional premium for this endorsement shall be 2.00 % of the total estimated workers compensation premium for this policy.

CONSUMER DISCLOSURE

From time to time, Carahsoft OBO City of Lake Elsinore (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Carahsoft OBO City of Lake Elsinore:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by phone call: 951-674-3124 x269

To contact us by email send messages to: lreyes@lake-elsinore.org

To advise Carahsoft OBO City of Lake Elsinore of your new e-mail address

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at lreyes@lake-elsinore.org and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

To request paper copies from Carahsoft OBO City of Lake Elsinore

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to lreyes@lake-elsinore.org and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Carahsoft OBO City of Lake Elsinore

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to lreyes@lake-elsinore.org and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

** These minimum requirements are subject to change. If these requirements change, you will be asked to re-accept the disclosure. Pre-release (e.g. beta) versions of operating systems and browsers are not supported.

Acknowledging your access and consent to receive materials electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC CONSUMER DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify Carahsoft OBO City of Lake Elsinore as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by Carahsoft OBO City of Lake Elsinore during the course of my relationship with you.
