

7) **Agreement for Wildland Protection Services**

Adopt A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE, CALIFORNIA, APPROVING THE CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE AGREEMENT FOR WILDLAND PROTECTION SERVICES FOR THE FISCAL YEAR 2025-2026.

## REPORT TO CITY COUNCIL

**To:** Honorable Mayor and Members of the City Council  
**From:** Jason Simpson, City Manager  
**Prepared by:** Shannon Buckley, Assistant City Manager  
**Date:** May 13, 2025  
**Subject:** Agreement for Wildland Protection Services

### **Recommendation**

Adopt A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE, CALIFORNIA, APPROVING THE CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE AGREEMENT FOR WILDLAND PROTECTION SERVICES FOR THE FISCAL YEAR 2025-2026.

### **Background**

Since 2013, the City of Lake Elsinore has entered into an agreement with the California Department of Forestry and Fire (CALFIRE) for wildland protection service to protect the City from unfunded liabilities in the event of a wildland fire within the City that is not covered by an MTZ (Mutual Threat Zone). These costs are for CALFIRE or other resources that may be needed to control a wildland fire, including aircraft, crews, dozers, engines, and logistics. These costs could easily reach tens of thousands of dollars to hundreds of thousands of dollars per day.

Under the agreement, CALFIRE treats the area covered by the agreement and areas in the MTZ as State Responsibility Area (SRA) lands. (This is virtually all the Wildland Urban Interface Area in the City). As such, CALFIRE would bear the cost of suppressing wildland fires in these areas using any needed resources to accomplish this task. The City would only expend its budgeted cost annually to maintain this agreement with CALFIRE. The City last renewed this agreement in 2024 for the fiscal year 2024-2025.

**Discussion**

The proposed agreement for wildland protection services is for the fiscal year 2025-2026. The cost is based on what the State currently pays to protect its SRA. The current cost per acre is approximately \$50.18, plus a 10.77% administrative charge. The cost per acre is reviewed and adjusted annually. The area covered by the agreement can also be adjusted to reflect build-up or annexations. The City of Lake Elsinore is responsible for protecting life, property, and wildland areas comprising 1,689 acres of land (as shown in the agreement). Therefore, the agreement is for a total cost of \$93,882.03. Staff believes this agreement is a cost-effective way for the City of Lake Elsinore to protect itself from potentially crippling unbudgeted expenses from wildland fires and provide a fiscally prudent level of protection to our citizens and natural resources.

**Fiscal Impact**

The proposed agreement is included in the Fiscal Year 2025-2026 budget.

RESOLUTION NO. 2025 - \_\_\_\_

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE, CALIFORNIA, APPROVING THE CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE AGREEMENT FOR WILDLAND PROTECTION SERVICES FOR THE FISCAL YEAR 2025-2026.**

**Whereas**, the City of Lake Elsinore is responsible for the protection of life, property, and wildland areas comprising of 1,689 acres of land; and,

**Whereas**, the City Council (Council) approved an initial agreement with the California Department of Forestry and Fire Protection (CALFIRE) in 2013 for wildland protection services; and,

**Whereas**, the Council approved the renewal of said Agreement in 2014 for Fiscal Years 2014-2015.

**Whereas**, the Council approved the renewal of said Agreement in 2015 for Fiscal Years 2015-2016.

**Whereas**, the Council approved the renewal of said Agreement in 2016 for Fiscal Years 2016-2017.

**Whereas**, the Council approved the renewal of said Agreement in 2017 for Fiscal Years 2017-2018.

**Whereas**, the Council approved the renewal of said Agreement in 2018 for Fiscal Years 2018-2019.

**Whereas**, the Council approved the renewal of said Agreement in 2019 for Fiscal Years 2019-2020.

**Whereas**, the Council approved the renewal of said Agreement in 2020 for Fiscal Years 2020-2021.

**Whereas**, the Council approved the renewal of said Agreement in 2021 for Fiscal Years 2021-2022.

**Whereas**, the Council approved the renewal of said Agreement in 2022 for Fiscal Years 2022-2023.

**Whereas**, the Council approved the renewal of said Agreement in 2023 for Fiscal Years 2023-2024.

**Whereas**, the Council approved the renewal of said Agreement in 2023 for Fiscal Years 2024-2025.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:**

**Section 1.** The Council hereby approves the agreement with CALFIRE for wildland protection services from July 2025 through June 2026.

**Section 2.** The Council hereby authorizes the City Manager to execute the agreement, subject to minor modifications as approved by the City Attorney.

**Section 3.** This Resolution shall take effect immediately upon its adoption.

**Passed and Adopted** at a regular meeting of the City Council of the City of Lake Elsinore, California, this 13th day of May 2025.

**2. AUTHORIZATION**

This Agreement is entered into this 1st day of July, 2025, by and between the State of California, hereinafter called STATE and City of Lake Elsinore, County of Riverside, State of California, hereinafter called Local Agency through its duly authorized officers. As used herein, Director shall mean Director of the California Department of Forestry and Fire Protection (CAL FIRE). Where the standard clauses for example in Exhibit C, use the word "Contractor" that word shall mean LOCAL AGENCY as LOCAL AGENCY is used in this Agreement.

Section 4142 of the Public Resources Code provides that the Director may enter into cooperative Agreements with local jurisdictions for the purpose of providing wildland fire protection.

**3. SCOPE OF WORK**

LOCAL AGENCY has the responsibility for protection of life, property, and wildland areas comprising 1689 acres of land as indicated on the map included under Exhibit E and desires to contract with the STATE to provide wildland fire protection to said area.

STATE has the ability to provide wildland fire protection for said area, of the type and degree, which it now provides on adjacent State Responsibility Areas.

**4. SERVICES BY STATE**

- A. STATE shall provide wildland fire protection for the areas defined in the above section.
- B. For those areas, which are adjacent to State Responsibility Area, STATE will provide wildland fire protection at the same level of service it now provides on adjacent State Responsibility Area.
- C. For those areas (islands), which are not adjacent to State Responsibility Area, the wildland fire protection provided by the STATE will be limited to those resources identified in the preplanned wildland response for the respective area. Any resources beyond those specified in the preplanned wildland response are assistance by hire and the financial responsibility of the LOCAL AGENCY.

**5. ADMINISTRATION**

- A. LOCAL AGENCY agrees that STATE may dispatch fire protection resources available under this Agreement to other areas of the state when needed at the sole discretion of STATE.
- B. STATE response will be subject to availability of resources.
- C. Incident Management within the contract area shall conform to current Incident Command System criteria for Unified Command.
- D. STATE and LOCAL AGENCY shall, through established dispatch procedures, immediately notify each other of any fire incident within the contract area.

**6. MUTUAL AID**

LOCAL AGENCY shall provide mutual aid response into the contract area for wildfires. Structural fire protection remains the jurisdictional and financial responsibility of LOCAL AGENCY.

**7. ENTIRE AGREEMENT**

This Agreement contains the whole Agreement between the parties. It cancels and supersedes any previous Agreement for the same or similar services.

## **EXHIBIT B**

### **BUDGET DETAIL, INVOICING, PAYMENT AND RECONCILIATION**

#### **1. Invoicing and Payment:**

- A. LOCAL AGENCY shall pay STATE for providing said protection at the rate of \$50.18 per acre, plus an 10.77% administrative charge for a total of \$93, 874.62 upon presentation of an invoice by STATE. The rate per acre and administrative charge will be calculated by STATE prior to January 1, of each year and annually thereafter, for the succeeding fiscal year subject to approval by LOCAL AGENCY. This Agreement shall be amended each fiscal year to reflect new rates.
- B. STATE shall provide thirty (30) day written notice to LOCAL AGENCY of the cost per acre and the administrative charge to be assessed for each subsequent fiscal year during the term of this Agreement; LOCAL AGENCY shall have thirty (30) days to approve said rate; if written approval is not received by STATE within said period, STATE's obligations hereunder shall terminate; LOCAL AGENCY shall be liable for all amounts due up to and including the date of such termination.
- C. To minimize the need for reconciliation payment is expected in full after the LOCAL AGENCY receives the STATE invoice. Payments made by the LOCAL AGENCY will cover the protection rate per acre and the administrative charge for the protection services rendered by STATE and including any other costs as provided herein, giving credit for all payments made by LOCAL AGENCY and claiming the balance due to STATE, if any, or refunding to LOCAL AGENCY the amount of any overpayment.

#### **2. Budget Contingency Clause**

- A. If the LOCAL AGENCY's governing authority does not appropriate sufficient funds for the current year or any subsequent years covered under this Agreement, which results in an inability to pay the STATE for the services specified in this Agreement, the LOCAL AGENCY shall promptly notify the STATE and this Agreement will terminate pursuant to the notice periods required herein.
- B. If funding for any fiscal year is reduced or deleted by the LOCAL AGENCY for purposes of this program, the LOCAL AGENCY shall promptly notify the STATE, and the STATE shall have the option to either cancel this Agreement with no liability occurring to the STATE, or offer an agreement amendment to LOCAL AGENCY to reflect the reduced amount, pursuant to the notice terms herein
- C. If the STATE Budget Act does not appropriate sufficient funds to provide the services for the current year or any subsequent years covered under this Agreement, which results in an inability to provide the services specified in this Agreement to the LOCAL AGENCY, the STATE shall promptly notify the LOCAL AGENCY, and this Agreement will terminate pursuant to the notice periods required herein.

- D. If funding for any fiscal year is reduced or deleted by the STATE Budget Act for purposes of this program, the STATE shall promptly notify the LOCAL AGENCY, and the LOCAL AGENCY shall have the option to either cancel this Agreement with no liability occurring to the LOCAL AGENCY, or offer an agreement amendment to LOCAL AGENCY to reflect the reduced services, pursuant to the notice terms herein.
- E. Notwithstanding the foregoing provisions in paragraphs A and B above, the LOCAL AGENCY shall remain responsible for payment for all services actually rendered by the STATE under this Agreement regardless of LOCAL AGENCY funding being reduced, deleted or not otherwise appropriated for this program. The LOCAL AGENCY shall promptly notify the STATE in writing of any budgetary changes that would impact this Agreement.
- F. LOCAL AGENCY and STATE agree that this Budget Contingency Clause shall not relieve or excuse either party from its obligation(s) to provide timely notice as may be required elsewhere in this Agreement.

## EXHIBIT D

### **SPECIAL TERMS AND CONDITIONS**

1. **Cancellation**

Failure of either party to meet any of the terms and conditions of this Agreement, including non-payment of monies due hereunder, shall be cause for the termination of this Agreement; such termination shall become effective upon written receipt of 30 day notice of cancellation.

2. **Audit**

If the Agreement is over \$10,000, the parties shall, in accordance with Government Code Section 10532, be subject to examination and audit of the State Auditor General for a period of three (3) years after final payment under the Agreement. Examination and audit shall be confined to those matters connected with performance of the Agreement including, but not limited to, cost of administering the Agreement. The Contractor warrants by execution of this Agreement, that no person or selling agency has been employed or retained to solicit or secure this Agreement upon Agreement or understanding.

3. **Operating Plan**

Prior to April 1 of each year, STATE and LOCAL AGENCY shall establish a joint Operating Plan for the contract area, which shall be attached after Exhibit E. If LOCAL AGENCY received its structural fire protection from another local agency, the local agency providing the structural fire protection must be party to the Operating Plan.

4. **Extension of Agreement**

Unless there is written notice by LOCAL AGENCY to terminate this Agreement STATE shall extend this Agreement for a single one-year period from the original termination date. The cost of services provided by STATE during the extended period shall be based upon the rates published for the fiscal year in which the extended period falls had a new Agreement been entered into.

5. **Modification**

This Agreement may be amended at any time by written mutual consent of the parties hereto.

6. **Indemnification**

Each party, to the extent permitted by law, agrees to indemnify and hold harmless the other party, its officers, agents, and employees from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by the indemnifying party.

## OPERATING PLAN

### 1. OVERVIEW

This Operating Plan, from now on referred to as PLAN, is between the California Department of Forestry & Fire Protection, Riverside Unit, from now on referred to as CAL FIRE, and the City of Lake Elsinore, Fire Department, from now on referred to as CITY. It has been developed to address the Agreement for Protection of Wildlands within a Local Agency, from now on called AGREEMENT, between CAL FIRE and CITY for wildland fire protection within the CITY limits.

### 2. AUTHORITY

The PLAN is required of both CAL FIRE and CITY as part of the AGREEMENT dated July 1, 2025 through June 30, 2026.

### 3. PURPOSE

This PLAN will provide the Unit Chief of CAL FIRE and the Fire Chief of CITY a means for executing the AGREEMENT and is hereby attached as Exhibit B with appendices B-1 and B-2 to that AGREEMENT.

### 4. PROPOSAL

The proposal of this plan is to:

1. Wildland fires within the contract area or mutual threat zone:
  - a) Regardless of which agency Company Officer is on the scene of the incident first, the first arriving Company Officer shall;
  - b) Assume command,
  - c) Establish jurisdiction,
  - d) Determine threats with potential,
  - e) Provide a report on conditions,
  - f) Formulate and effect a plan of action,
  - g) Prioritize control objectives,
    - a. Life, Property and Natural Resources,
  - h) Request additional resources as appropriate,
  - i) Establish the Unified Ordering Point.
2. The Unified Ordering Point will be the California Department of Forestry and Fire Protection (CAL FIRE) Riverside Unit Emergency Command Center (RRCC).

3. Regardless of which agency Chief Officer is on the scene of the incident first;
  - a) The first arriving Chief Officer will transition command from the initial attack incident commander.
  - b) Announce and assume command of the fire.
  - c) Establish an Incident Command Post. All wildland fires will be managed via a Unified Command structure that will afford all agencies jurisdictional responsibility to establish a common set of objectives and strategies.

## 5. DEFINITIONS AND RESTRICTIONS

See AGREEMENT for definitions and descriptions of general terms. This PLAN does not allow either agency to operate outside the limitations in the AGREEMENT.

## 6. PROCEDURES

- a) Fire Reporting/ Reports-When CITY receives a report of a wildfire within the area of the AGREEMENT, it shall promptly notify the RR Unit Emergency Command Center (ECC). Each agency will process its appropriate reports and make the information available, upon request of the other agency, in no more than 60 days.
- b) Incident Management- The Incident Command System (ICS) will be used to manage wildfires within the area of the AGREEMENT. Unified Command will be implemented with a CAL FIRE representative and a CITY representative.
- c) Fires within the area of the AGREEMENT- Each agency will maintain a Preplanned Initial Attack Response (PIAR) for fires within the area of the AGREEMENT. See Appendices B-1 and B-2. Immediate cooperation between agency dispatch centers will occur to ensure prompt response of appropriate resources into the fire area. CAL FIRE resources will be ordered through the ECC according to the AGREEMENT terms. A CAL FIRE Incident Commander or Agency Representative shall authorize any augmentation of the preplanned CAL FIRE response with CAL FIRE resources.
  - a. Augmentation of the preplanned response may require a post-incident audit. The audit will seek to demonstrate that adjacent CAL FIRE Direct Protection Areas (DPA's) were threatened or that the augmentation was justified as cost-efficient. Local government and private resources will be ordered through the CITY dispatch center (DISPATCH) to ensure proper utilization of the Master Mutual Aid Agreement.
- d) Mutual Aid- All initial attack resources will be considered mutual aid for the purpose of this AGREEMENT.
- e) Initial Attack-Initial attack resources will always be based on the closest resources concept identified in the PIAR. See Appendices B-1 and B-2.

- f) Move-up & Cover-Station coverage will be exchanged between both agencies when appropriate. To prevent long-term coverage problems for either agency, the covering agency's engines will be replaced with the covered agency's resources as soon as it is practical to do so.

C. Fire Information: Unified Command-

1. Both agencies will enter into a unified command structure to manage the incident by establishing a common set of incident objectives and strategies. This will be accomplished without losing or abdicating agency authority, responsibility, or accountability. A Unified Ordering Point will be identified and established.
2. Representatives of both agencies will meet as needed to discuss procedures for governing and the locations of potential information centers. Both agencies will strive to maintain a roster of certified Public Information Officers for use during emergencies.
3. The Unified Command will determine which agency will provide the Lead Information Officer. Typically, it will be the agency with the most significant commitment of resources to the incident.

- D. Representatives of CAL FIRE and CITY of the Battalion Chief or higher rank may order resources directly from the ECC or DISPATCH when an immediate need arises. These resources may include engines, fire crews, and bulldozers, per the AGREEMENT. Resources sent in response to these requests will conform to the closet resources concept.

7. ADMINISTRATION

The CAL FIRE Unit Chief and the CITY Fire Chief, or their designees, along with representatives from the CAL FIRE ECC and CITY DISPATCH, will meet annually to discuss, review, and update the following items: procedures for reporting fires, procedures to dispatch resources to fires within the area of the AGREEMENT, procedures to dispatch resources to fires along the boundaries of the area of the AGREEMENT, and exchange general or specific information which would affect the other agency.

- a) PLAN objectives are being met.
- b) PLAN is achieving the desired results

7. APPROVAL:

This PLAN is approved and authorized as Exhibit B Attachment 3 of the AGREEMENT between CAL FIRE and CITY:
