Receive and file the Notice of Decision for Planning Application No. 2023-16 approved by the Planning Commission on August 1, 2023.

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared by: Damaris Abraham, Assistant Community Development Director

Date: August 22, 2023

Subject: Notice of Decision – Planning Commission Approval of Planning Application No. 2023-16 Approving a Conditional Use Permit to Establish and Operate a New Cabinet Shop in an Approximately 2,000 Sq. Ft. Unit Within an Existing Multi-tenant Building Located at 18301 Collier Avenue Unit A

Recommendation

Receive and file the Notice of Decision for Planning Application No. 2023-16 approved by the Planning Commission on August 1, 2023.

Background

Planning Application No. 2023-16 (Conditional Use Permit No. 2023-07) proposes to establish a new cabinet shop within an existing approximately 2,000 sq. ft. unit located in an existing multi-tenant building. The cabinet shop specializes in installing pre-fabricated cabinet with an emphasis on residential installation. No manufacturing work would take place at the facility. Only minor repairs such as replacing missing parts will occur at the site. The types of materials stored include hardwood, molding, and plywood. Hours of operation will be Monday through Friday from 7:00 a.m. to 3:30 p.m. The cabinet shop will not be open to the public. The facility will have two (2) employees.

The project is located north of Central Avenue and south of Hunco way, more specifically 18301 Collier Avenue, Unit A (APN: 377-120-026).

On August 1, 2023 the Planning Commission, by a 4-0 vote:

1. Found that the proposed project is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301 (Existing Facilities); and
2. Adopted A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF LAKE ELSINORE, CALIFORNIA, APPROVING PLANNING APPLICATION NO. 2023-16 (CONDITIONAL USE PERMIT NO. 2023-07) TO ESTABLISH AND OPERATE A NEW

2,000 SQUARE FOOT CABINET SHOP IN AN EXISTING MULTI-TENANT BUILDING
LOCATED AT 18301 COLLIER AVENUE UNIT A (APN: 377-120-026).

Discussion

The Planning Commission voted 4-0 to approve the project at its regular meeting on August 1, 2023. There were no public comments. Only the applicant attended the hearing.

The Commission's decision is final, and no action by the City Council is required unless the City Council, by majority vote, elects to review and reconsider the Commission's decision by ordering the matter set for a future noticed public hearing according to Section 17.410.110.F of the Lake Elsinore Municipal Code (LEMC), or the applicant or an interested person files a complete appeal application within 15 days of this notice appearing on the City Council's Agenda.

Fiscal Impact

The time and cost related to processing this application have been covered by fees paid for by the applicant. No General Fund budgets have been allocated or used in the processing of this application. Project approval does not fiscally impact the City's General Fund. Mitigation Measures to protect the City fiscally have already been included in the Conditions of Approval.

REPORT TO THE PLANNING COMMISSION

To: Honorable Chair and Members of the Planning Commission

From: Damaris Abraham, Assistant Community Development Director

Prepared by: Carlos Serna, Associate Planner

Date: August 1, 2023

Subject: **Planning Application No. 2023-16 (JC Industries) – A Request for a Conditional Use Permit to Establish and Operate a New Cabinet Shop in an approximately 2,000 sq. ft. Unit within an existing Multi-Tenant Building located at 18301 Collier Avenue Unit A**

Applicant: Susana Cabrales, JC Industries

Recommendation

1. Find that the proposed project is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301 (Existing Facilities); and
2. Adopt A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF LAKE ELSINORE, CALIFORNIA, APPROVING PLANNING APPLICATION NO. 2023-16 (CONDITIONAL USE PERMIT NO. 2023-07) TO ESTABLISH AND OPERATE A NEW 2,000 SQUARE FOOT CABINET SHOP IN AN EXISTING MULTI-TENANT BUILDING LOCATED AT 18301 COLLIER AVENUE UNIT A (APN: 377-120-026).

Project Location

The project is located north of Central Avenue and south of Hunco Way, more specifically 18301 Collier Avenue Unit A (APN: 377-120-026).

Project Description

Planning Application No. 2023-16 (Conditional Use Permit No. 2023-07) proposes to establish a new cabinet shop within an existing approximately 2,000 sq. ft. unit located in an existing multi-tenant building. The cabinet shop specializes in installing pre-fabricated cabinets with an emphasis on residential installation.

The applicant proposes to use the facility as a cabinet shop where they will set up their administrative office, store and assemble the pre-fabricated cabinets, conduct quality assurance tests, and store materials needed for off-site installation of their cabinets. No manufacturing work would take place at the facility. Only minor repairs such as replacing missing parts will occur at the site. The types of materials stored include hardwood, molding, and plywood.

Hours of operation will be Monday through Friday from 7:00 a.m. to 3:30 p.m. The cabinet shop will not be open to the public. The facility will have two (2) employees.

Environmental Setting

	EXISTING LAND USE	GENERAL PLAN	ZONING
Project Site	Industrial Center	Limited Industrial (LI)	Commercial Manufacturing (C-M)
North	Industrial	Limited Industrial (LI)	Commercial Manufacturing (C-M)
South	Commercial Center	General Commercial (GC)	General Commercial (C-2)
East	Restaurant	General Commercial (GC)	General Commercial (C-2)
West	Vacant	Limited Industrial (LI)	Limited Manufacturing (M-1)

Analysis

General Plan Consistency

The project has a General Plan Land Use designation of Limited Industrial (LI) and is located in the Business District. The LI designation provides for industrial parks, warehouses, manufacturing, research and development, public and quasi-public uses, and similar and compatible uses. The project is proposing to establish a cabinet shop within an existing multi-tenant building located within an existing Industrial Business Park center. The proposed project is compatible with the LI designation and is consistent with all other applicable General Plan goals and policies.

Municipal Code Consistency

The current zoning for the subject property is Commercial Manufacturing (C-M). According to Section 17.132.030.B. of the C-M zone, cabinet shops are permitted subject to a conditional use permit.

The project also complies with the onsite parking standards listed in Lake Elsinore Municipal Code (LEMC) Chapter 17.148 (Parking Requirements). Section 17.148.030.B of the LEMC requires one (1) parking space for each 400 square feet of unit area up to 20,000 square feet, plus one (1) space for each 1,000 square feet of unit area over 20,000 square feet, plus one space for each 1,000 square feet of outside sales, display or storage area. Five (5) parking spaces would be required for the proposed project. The project will have sufficient parking as there is an existing shared parking agreement whereas 134 parking spaces are available.

The Design Review Committee, including staff from Planning, Building and Safety, Fire, and Engineering departments and the Elsinore Valley Municipal Water District, has reviewed the proposed project and have added appropriate Conditions of Approval to ensure compliance with adopted plans, policies and regulations.

Environmental Determination

Staff has determined that the proposed project is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301 (Class 1: Existing Facilities). Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The proposed project will be located in an existing multi-tenant building. The site is fully developed, and only minor interior alterations are planned in association with the proposed use.

MSHCP Consistency

The project is consistent with the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP). The project site is completely disturbed and is developed with an existing industrial business park. The project site is not located in a Criteria Cell and was not required to be processed through the Lake Elsinore Acquisition Process (LEAP) and Joint Project Review (JPR) processes. The project complies with all other applicable requirements of the MSHCP.

Public Notice

Notice of the hearing for this application has been published in the Press-Enterprise newspaper and mailed to property owners within 800 feet of the subject property. As of the writing of this report, no written comments concerning this application have been received by staff.

RESOLUTION NO. 2023-

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF LAKE ELSINORE, CALIFORNIA, APPROVING PLANNING APPLICATION NO. 2023-16 (CONDITIONAL USE PERMIT NO. 2023-07) TO ESTABLISH AND OPERATE A NEW 2,000 SQUARE FOOT CABINET SHOP IN AN EXISTING MULTI-TENANT BUILDING LOCATED AT 18301 COLLIER AVENUE UNIT A (APN: 377-120-026)

Whereas, Susana Cabrales, has filed an application with the City of Lake Elsinore (City) requesting approval of Planning Application No. 2023-16 (Conditional Use Permit No. 2023-07) to establish and operate a new approximately 2,000 sq. ft. cabinet shop in an existing multi-tenant building located at 18301 Collier Avenue, Unit A (APN: 377-120-026);

Whereas, Section 6.0 of the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) requires that all discretionary projects within a MSHCP Criteria Cell undergo the Lake Elsinore Acquisition Process (LEAP) and Joint Project Review (JPR) process to analyze the scope of the proposed development and establish a building envelope that is consistent with the MSHCP criteria;

Whereas, Section 6.0 of the MSHCP further requires that the City adopt consistency findings demonstrating that the proposed discretionary entitlement complies with the MSHCP Criteria Cell, and the MSHCP goals and objectives;

Whereas, Chapter 17.415.070.A of the Lake Elsinore Municipal Code (LEMC) provides that certain uses have operational characteristics that, depending on the location and design of the use, may have the potential to negatively impact adjoining properties, businesses or residents and therefore are permitted subject to the issuance of a Conditional Use Permit, which allows the City to comprehensively review and approve the use;

Whereas, pursuant to Chapter 17.415.070.B of the LEMC, the Planning Commission (Commission) has been delegated with the responsibility of reviewing and approving, conditionally approving, or denying Conditional Use Permits; and

Whereas, on August 1, 2023, at a duly noticed Public Hearing, the Commission has considered evidence presented by the Community Development Department and other interested parties with respect to this item.

NOW, THEREFORE, THE PLANNING COMMISSION OF THE CITY OF LAKE ELSINORE DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1: The Commission has considered the project and has found it acceptable.

Section 2: That in accordance with the MSHCP, the Commission makes the following findings for MSHCP consistency:

- 1. The project is not subject to the City's LEAP and the Western Riverside County Regional Conservation Authority's (RCA) JPR processes as it is not located within a Criteria Cell.*
- 2. The project site is developed with existing industrial uses. The project is proposing to remodel the interior of an existing multi-tenant industrial building. As such, the*

Riparian/Riverine Areas and Vernal Pool Guidelines as set forth in Section 6.1.2 of the MSHCP are not applicable.

3. *The project is consistent with the Protection of Narrow Endemic Plant Species Guidelines as set forth in MSHCP Section 6.1.3 and the Additional Survey Needs and Procedures as set forth in MSHCP Section 6.3.2 because the project is not located within any Narrow Endemic Plant Species Survey Areas or Critical Species Survey Areas.*
4. *The project is consistent with the Fuels Management Guidelines because the project site is not within or adjacent to any MSHCP Criteria Cell or conservation areas.*
5. *The project is exempt from MSHCP local development mitigation fees pursuant to LEMC Section 16.85.090.B because the project involves remodeling to an existing development project and will not result in additional usable square footage.*

Section 3: The Commission hereby finds and determines that the project is categorically exempt from California Environmental Quality Act (Cal. Publ. Res. Code §§21000 et seq. "CEQA") and CEQA Guidelines (14. Cal. Code Regs. §§15000 et seq.), specifically pursuant to Section 15301 (Class 1 – Existing Facilities), because the project is confined to an existing industrial building and only minor interior alterations are planned in association with the proposed use.

Section 4: That in accordance with LEMC Section 17.415.070.C. Findings, the Commission makes the following findings regarding Conditional Use Permit No. 2023-07:

1. That the proposed use, on its own merits and within the context of its setting, is in accord with the objectives of the General Plan and the purpose of the planning district in which the site is located.

The project site is located in the Limited Industrial (LI) General Plan Land use designation and the Commercial Manufacturing (C-M) Zoning designation, which is consistent with the applicable General Plan Land Use Designation. The proposed cabinet shop is a permitted use subject to the approval of a Conditional Use Permit within the C-M Zoning designation.

2. The proposed use will not be detrimental to the general health, safety, comfort or general welfare of persons residing or working within the neighborhood of the proposed use or the City, or injurious to property or improvements in the neighborhood or the City.

The proposed use will be located within an existing building. The proposed use does not propose either directly or indirectly any detrimental effects to the existing surrounding community. The project has been conditioned as such to avoid any possible negative impacts associated with the conversion and operation of the proposed facility.

3. The site for the intended use is adequate in size and shape to accommodate the use, and for all the yards, setbacks, walls or fences, landscaping, buffers and other features required by this title.

The proposed use has been reviewed for compliance with applicable sections of the LEMC, and the proposed use will complement the existing uses, based on the submitted plans and attached conditions of approval.

- 4. The site for the proposed use relates to streets and highways with proper design both as to width and type of pavement to carry the type and quantity of traffic generated by the subject use.

The proposed use is located within an existing built environment, inclusive of streets. The existing streets are of adequate size to facilitate safe and convenient transportation to and from the site.

- 5. In approving the subject use at the specific location, there will be no adverse effect on abutting properties or the permitted and normal use thereof.

The project has been thoroughly reviewed and conditioned by all applicable City departments thereby eliminating the potential for any adverse effects.

- 6. Adequate conditions and safeguards pursuant to Section 17.415.070.B of the LEMC, including guarantees and evidence of compliance with conditions, have been incorporated into the approval of the subject project to ensure development of the property in accordance with the objectives of this chapter and the planning district in which the site is located.

Pursuant to Section 17.415.070.B of the LEMC, the project was considered by the Commission at a duly noticed Public Hearing on August 1, 2023, appropriate and applicable conditions of approval have been included to protect and promote the public health, safety, and general welfare.

Section 5: Based upon the evidence presented, the above findings, and the Conditions of Approval imposed upon the project, the Commission hereby approves Planning Application No. 2023-16 (Conditional Use Permit No. 2023-07).

Section 6: This Resolution shall take effect immediately upon its adoption.

Passed and Adopted on this 1st day of August, 2023.

PROJECT: PA 2023-16/CUP 2023-07
PROJECT NAME: JC Industries – Cabinet Shop CUP
PROJECT LOCATION: 18301 Collier Avenue, Unit A (APN: 377-120-026)
APPROVAL DATE: TBD, 2023
EFFECTIVE DATE: TBD, 2023
EXPIRATION DATE: TBD, 2025

GENERAL

1. Planning Application No. 2023-16 (Conditional Use Permit No. 2023-07) proposes to establish and operate a new approximately 2,000 sq. ft. cabinet shop located in an existing multi-tenant building. The project is located north of Central Avenue and south of Hunco way, more specifically 18301 Collier Avenue, Unit A (APN: 377-120-026).
2. The applicant shall defend (with counsel acceptable to the City), indemnify, and hold harmless the City, its Officials, Officers, Employees, Agents, and its Consultants (Indemnitees) from any claim, action, or proceeding against the Indemnitees to attack, set aside, void, or annul an approval of the City, its advisory agencies, appeal boards, or legislative body concerning approval, implementation and construction of CUP 2023-07, which action is bought within the time period provided for in California Government Code Sections 65009 and/or 66499.37, and Public Resources Code Section 21167, including the approval, extension or modification of CUP 2023-07 or any of the proceedings, acts or determinations taken, done, or made prior to the decision, or to determine the reasonableness, legality or validity of any condition attached thereto. The applicant's indemnification is intended to include, but not be limited to, damages, fees and/or costs awarded against or incurred by Indemnitees and costs of suit, claim or litigation, including without limitation attorneys' fees, penalties and other costs, liabilities and expenses incurred by Indemnitees in connection with such proceeding. The City will promptly notify the applicant of any such claim, action, or proceeding against the City. If the project is challenged in court, the City and the applicant shall enter into formal defense and indemnity agreement, consistent with this condition.
3. Within 30 days of Project approval and prior to issuance of any building permits, the applicant shall sign and complete an "Acknowledgement of Conditions," and shall return the executed original to the Community Development Department for inclusion in the case records.

PLANNING DIVISION

4. Conditional Use Permit No. 2023-07 shall lapse and become void two years following the date on which the conditional use permit became effective, unless one of the following: (1) prior to the expiration of two years, a building permit related to the conditional use permit is issued and construction commenced and diligently pursued toward completion; or (2) prior to the expiration of two years, the applicant has applied for and has been granted an extension of the conditional use permit approval pursuant to subsections (a), (b), and (c) of Lake Elsinore Municipal Code (LEMC) Section 17.415.070.D.2. Subject to the provisions of LEMC Section 17.415.070.I, a conditional use permit granted pursuant to the provisions of

this section shall run with the land and shall continue to be valid upon a change of ownership of the site or structure, which was the subject of the Conditional Use Permit application.

5. The applicant shall at all times comply with Section 17.176 (Noise Ordinance) of the Lake Elsinore Municipal Code (LEMC).
6. The applicant shall meet all applicable City Codes and Ordinances.
7. A business license shall be obtained prior to a certificate of occupancy of the proposed establishment.
8. Business hours shall be Monday through Friday from 7:00 AM to 3:30 PM. In the event the applicant proposes to modify the hours of operation, the modification shall be subject to review by the Community Development Director. The Community Development Director may approve the modification or refer the matter to the Planning Commission if judged to be substantial.
9. Any outdoor activities will require a temporary use permit or special event permit, as applicable, shall be obtained from the City of Lake Elsinore prior to conducting any outdoor events on the subject property.
10. An application for modification, expansion or other change in a Conditional Use Permit shall be reviewed according to the provisions of the Section 17.415.070 of the LEMC, in a similar manner as a new application.
11. If operation of this use raises concerns related to parking, noise, traffic, or other impacts, at the discretion of the Community Development Director, this Conditional Use Permit may be referred back to the Planning Commission for subsequent review at a Public Hearing. If necessary, the Commission may modify or add conditions of approval to mitigate such impacts, or may revoke said Conditional Use Permit.
12. All Conditions of Approval shall be reproduced on page one of building plans prior to their acceptance by the Building and Safety Division, Community Development Department. All Conditions of Approval shall be met prior to the issuance of a Certificate of Occupancy and release of utilities.
13. All future development proposals shall be reviewed by the City on a project-by-project basis. If determined necessary by the Community Development Director or designee, additional environmental analysis will be required.
14. Any proposed minor revisions to the approved plans are subject to review and approval by the Community Development Director or designee. Any proposed substantial revisions to the approved plans shall be reviewed according to the provisions of the Municipal Code in a similar manner as a new application.
15. No individual signs are approved as part of this approval. The applicant or designee shall submit an application for a sign permit, pay appropriate fees and receive approval from the Community Development Department for any sign(s) installed at the project site.
16. There shall be no loitering in or around the establishment.

17. Graffiti shall be removed within 24 hours.
18. The vicinity of the establishment shall be kept free from trash and debris at all times and in no event shall trash and debris remain for more than 24 hours.
19. There shall be no outdoor storage or activities of any kind.
20. The use shall be conducted, at all times, in a manner that will allow the quiet enjoyment of the surrounding neighborhood. The operator shall institute whatever security and operational measures are necessary to comply with this requirement.
21. If any of the conditions of approval set forth herein fail to occur, or if they are, by their terms, to be implemented and maintained over time, if any of such conditions fail to be so implemented and maintained according to their terms, the City shall have the right to revoke or modify all approvals herein granted, deny or further condition issuance of all future building permits, deny revoke, or further condition all certificates of occupancy issued under the authority of approvals herein granted; record a notice of violation on the property title; institute and prosecute litigation to compel their compliance with said conditions or seek damages for their violation.

BUILDING DIVISION

22. The applicant shall meet all applicable building codes in effect at the time, including requirements for the occupancy.
23. A building permit shall be obtained prior to construction of building alterations.

CITY OF LAKE ELSINORE FIRE MARSHAL

24. The applicant/operator shall comply with all requirements of the Riverside County Fire Department Lake Elsinore Office of the Fire Marshal.
-

I hereby state that I acknowledge receipt of the approved Conditions of Approval for the above-referenced project and do hereby agree to accept and abide by all Conditions of Approval as approved by the City of Lake Elsinore Planning Commission on _____. I also acknowledge that all Conditions shall be met as indicated.

JC Industries Cabinet Chop Description

In JC Industries, we are a small company that has been in business for 14 years. My husband and I, run our business and we are the only workers. Our duties are to receive the doors and cabinets in a closed box. We opened them and inspected them to ensure everything was in perfect condition. In some cases, there are parts that we need to take and return them. If something is very small that needs to be fixed we can do it. We have everything ready to install we call the customer and deliver and install into their homes. For the assembly process, we install all the necessary hardware and secure it into walls for cabinet work. We use a portable table saw, drill cordless, hammer drill, jigsaw, router, nail guns, portable air compressor, and reciprocating saw. We use different kinds and sizes of screws and bolts. Our work hours are from 7:00 am to 3:30 pm.

Services rendered are done by contract and we do an invoice with the customers and sign a contract for the agreed amount for the specification of the job we complete for them. We receive our payments either in person by checks or through Zelle.

The way we gain our business is that we buy advertisements and make flyers to gain more customers to grow our business or our customers recommend us to others. The parking space is only for me and my husband. No customers come to our unit. We have two extra parking spaces for visitors or rental moving trucks. There is no dust collection during the created in the assembly process. The types of materials stored are hardwood, molding, and plywood. Along with our stored items are sinks and other faucets intended to install. We do not make these sinks we just install them to the added work we do.

To: All Potential Commercial/Industrial Wastewater Dischargers

Re: Requirements for Sewer Use

The National Pretreatment Program is a cooperative effort of Federal, State and local (i.e. Elsinore Valley Municipal Water District) regulatory environmental agencies established to protect water quality. The program is designed to reduce the level of pollutants discharged by specific industries and other non-domestic wastewater sources (i.e. restaurants, photo-processing labs, machine shops, car washes, vehicle repair shops, printers, breweries, hair salons, medical facilities, etc.) into municipal sewer systems. As part of these mandatory requirements EVMWD's Pretreatment Program must continuously track and update its list of industrial/commercial users and sewer user permittee's located within the District's service area. Specific types of businesses may be subject to further oversight (e.g. plan check reviews, inspections, issuance of wastewater discharge permits, etc.).

In response to State and Federal mandates, the District has developed the enclosed commercial/industrial information form. Please review the form and instructions carefully before completing. Upon completion, return the form as soon as possible using one of three methods described on the form. Upon receipt and review the District will make contact with the businesses contact person listed on the form within 3 to 5 business days to inform them if further oversight maybe required.

Please be advised that the submission of this attached form is a condition of sewer use prior to opening for business.

Lastly, this procedure is not an EVMWD "Will Serve & Application Connection Fee Form" if this type of letter is needed by an establishment; please contact Christina Bachinski at (951) 674-3146 ext. 8427 or e-mail at deveopment@evmwd.net.

If you have any questions or need assistance concerning this form or obtaining sewer use approval, please contact the Industrial Pretreatment Division at (951) 674-3146 ext. 8326 or email Pretreatment@evmwd.net

Sincerely,
EVMWD
Pretreatment Program Coordinator

Warning: Violation of the District's Regulations for Waste and Sewer Use Ordinance No. 160 is prohibited. Failure to comply can result in additional fees and/or termination of water and or wastewater services (Ord. No. 160, pg. 3, Article 1, Section 1.800 (item A)).

COMMERCIAL/INDUSTRIAL INFORMATION FORM

Please be aware, that the submission of this form is mandatory requirement of sewer use from the EVMWD Industrial Pretreatment Program, which is mandated by the Federal EPA. Failure to comply can result in fines and/or penalties along with the refusal to provide or continue water and/or sewer service.

Business Name:	JC Industries	
Facility Address:	18301 Collier Ave Lake Elsinore

Checklist for Identifying Projects Requiring a Project-Specific WQMP within the Santa Ana Region

Project File No.:	
Project Name:	
Project Location:	1838 Collier Av Lake Elsinore CA 92530
Project Description:	

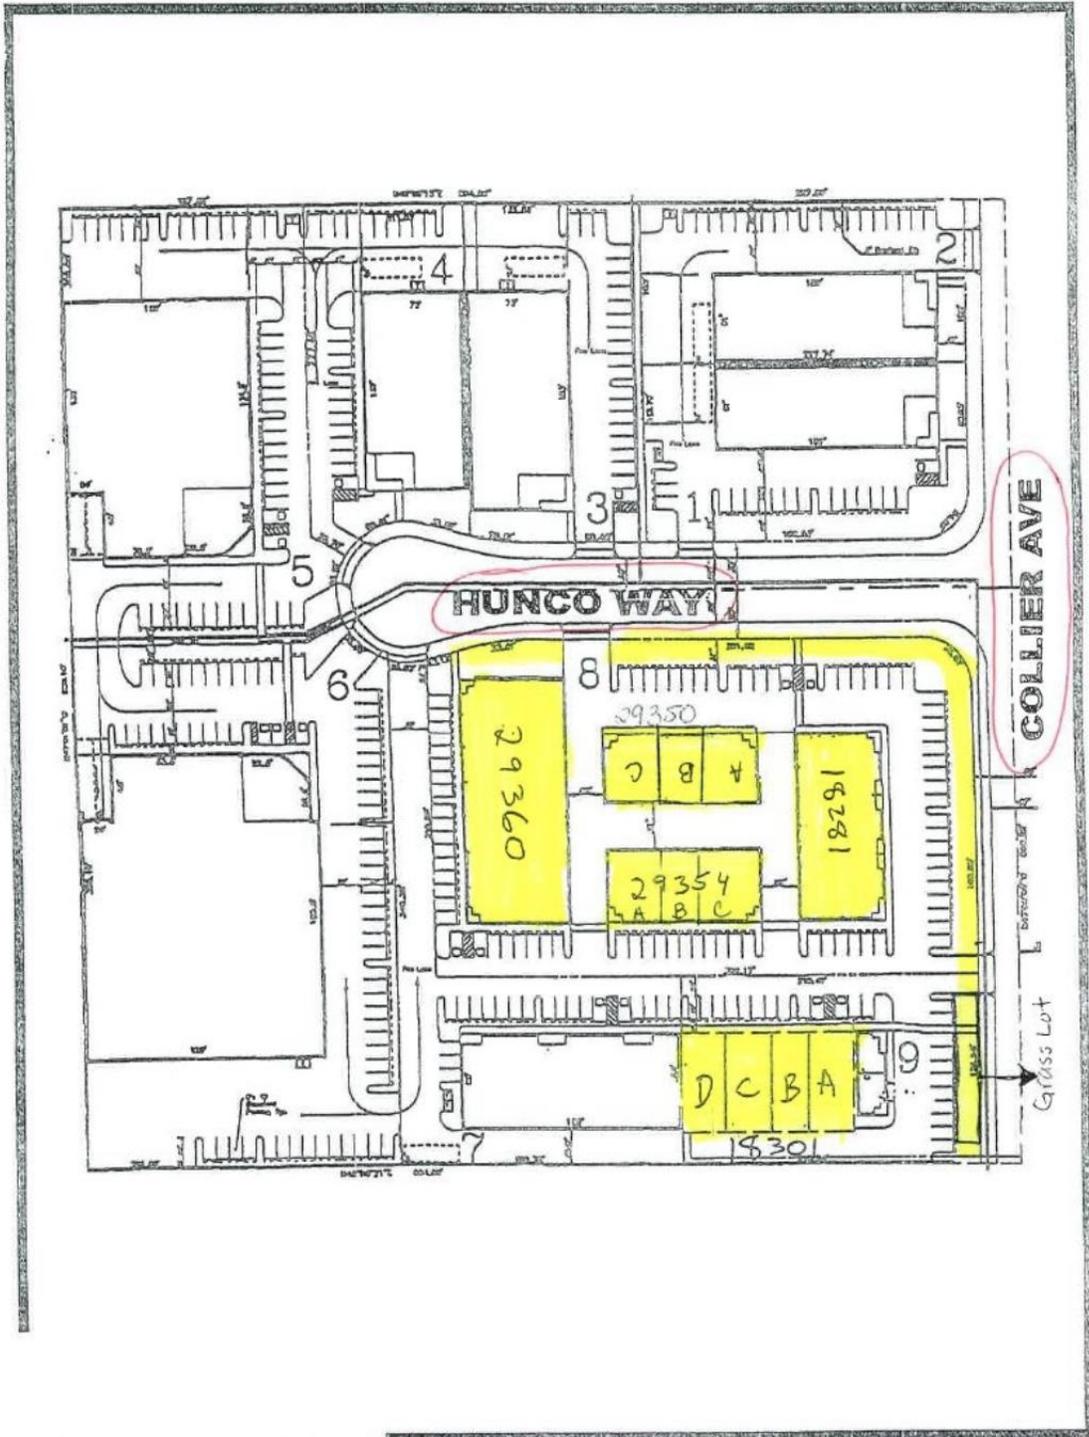

Proposed Project Consists of or Includes:	Yes	No
Significant Redevelopment: The addition or replacement of 5,000 square feet or more of impervious surface on an already developed site. Does not include routine maintenance activities that are conducted to maintain original line and grade, hydraulic capacity, original purpose of the constructed facility or emergency redevelopment activity required to protect public health and safety.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Residential developments that create 10,000 square feet or more of impervious surface (collectively over the entire project site), including residential housing subdivisions requiring a Final Map (i.e., detached single family home subdivisions, multi-family attached subdivisions, condominiums, or apartments, etc.).	<input type="checkbox"/>	<input checked="" type="checkbox"/>
New industrial and commercial development where the land area ¹ represented by the proposed map or permit is 10,000 square feet or more.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Mixed use developments that create 10,000 square feet or more of impervious surface (collectively over the entire project site).	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Automotive repair shops [Standard Industrial Classification (SIC) codes ² 5013, 5014, 5541, 7532, 7533, 7534, 7536, 7537, 7538, and 7539].	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Restaurants (SIC code 5812) where the land area of development is 5,000 square feet or more.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Hillside developments disturbing 5,000 square feet or more which are located on areas with known erosive soil conditions or where the natural slope is 25 percent or more.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Developments of 2,500 square feet of impervious surface or more adjacent to (within 200 feet) or discharging directly into ESAs. "Directly" means situated within 200 feet of the ESA; "discharging directly" means outflow from a drainage conveyance system that is composed entirely of flows from the subject development or redevelopment site, and not commingled with flows from adjacent lands.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Parking lots of 5,000 square feet or more exposed to stormwater, where "parking lot" is defined as a land area or facility for the temporary parking or storage of motor vehicles.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Retail Gasoline Outlets that are either 5,000 square feet or more of impervious surface with a projected average daily traffic of 100 or more vehicles per day.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Public Projects, other than Transportation Projects, that are implemented by a Permittee and similar in nature to the priority projects described above and meets the thresholds described herein.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Condition of Approval requires preparation of a WQMP.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

¹ Land area is based on acreage disturbed.
² Descriptions of SIC codes can be found at <http://www.osha.gov/pls/imis/sicsearch.html>.

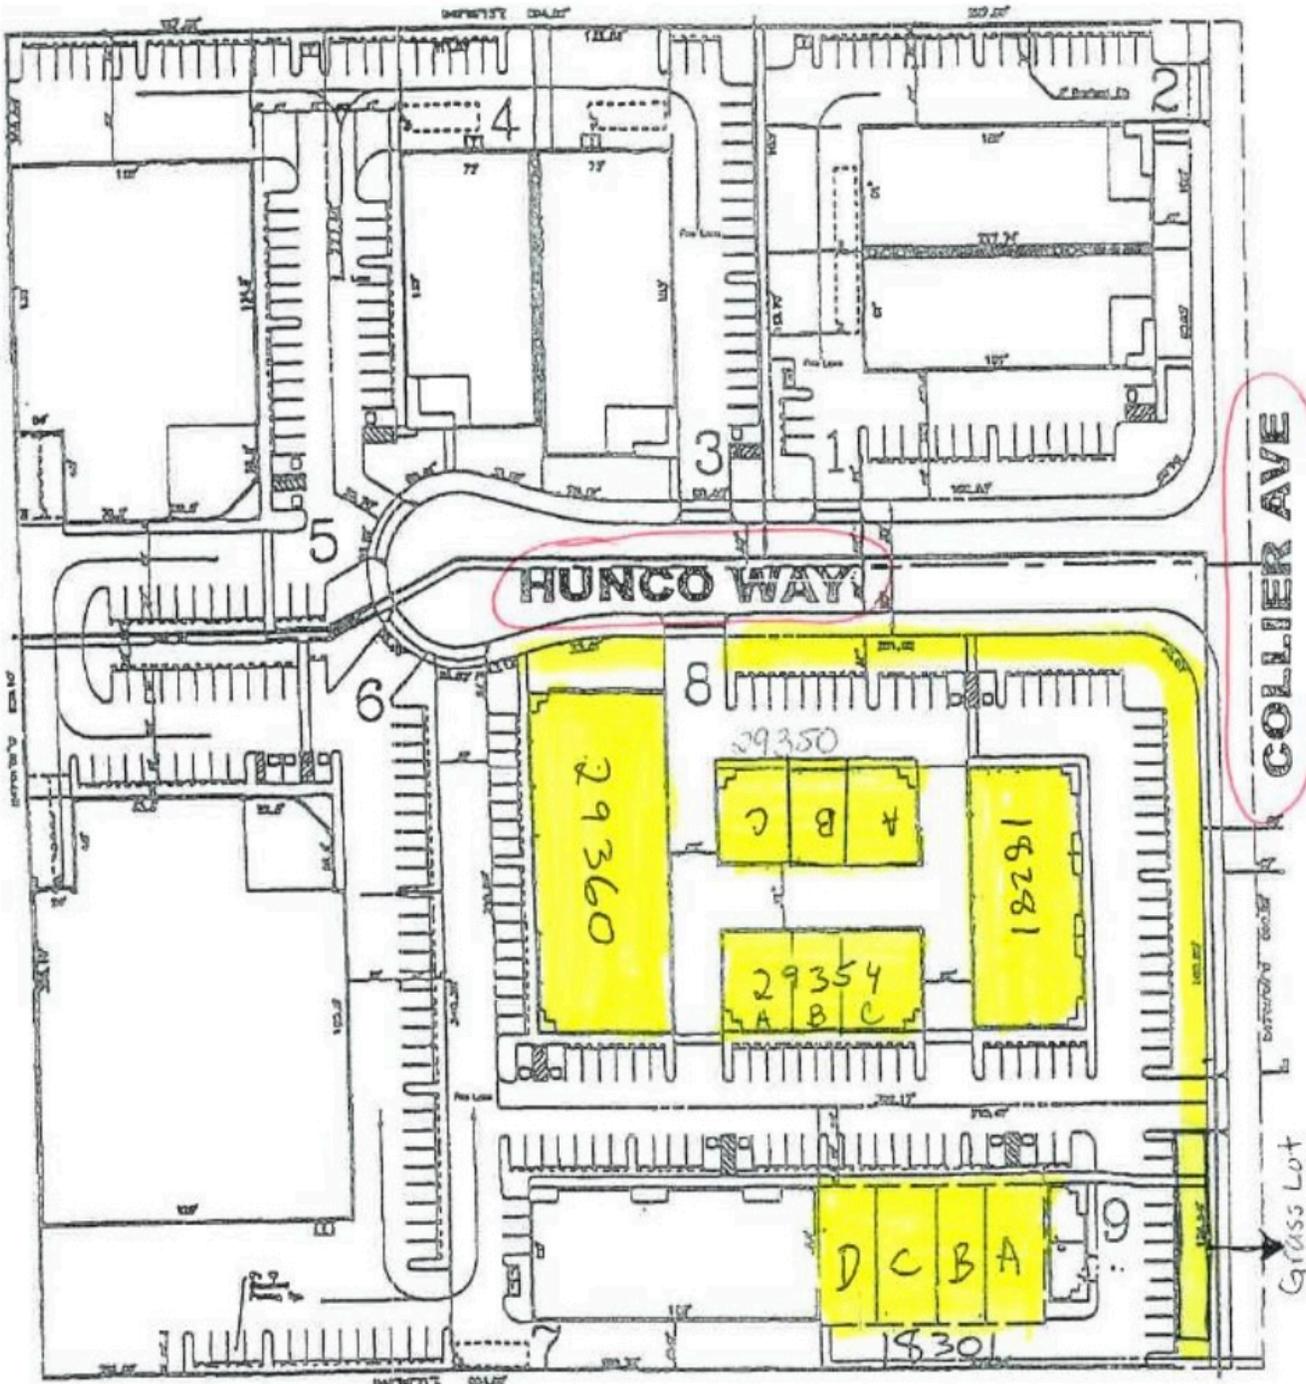

DETERMINATION: Circle appropriate determination

Any question answered "YES" Project requires a project-specific WQMP.
All questions are answered "NO" Project requires incorporation of Site Design BMPs and Source Control BMPs imposed through Conditions of Approval or permit conditions.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Lake Elsinore, California, will hold a Public Hearing on August 1, 2023, at the Lake Elsinore Cultural Center, 183 North Main Street, Lake Elsinore, California, 92530, at 6:00 p.m., or as soon thereafter as the matter may be heard, to consider the following:

Planning Application No. 2023-16 (JC Industries): A request by Susana Cabrales requesting approval of Conditional Use Permit No. 2023-07 to establish and operate a new Cabinet Shop in an approximately 2,000 square foot unit located in an existing multi-tenant building (Project). The Project is located north of Central Avenue and south of Hunco Way, more specifically 18301 Collier Avenue Unit A (APN: 377-120-026).

The proposed Project is exempt from the California Environmental Quality Act (Cal. Pub. Res. Code §§21000 et seq.: "CEQA") and the CEQA Guidelines (14 C.C.R. §§ 15000 et seq.) pursuant to CEQA Guidelines Section 15301 Existing Facilities. The Project proposes only minor interior alterations to the existing facility and is requesting a conditional use permit for the operation of a cabinet shop.

ALL INTERESTED PERSONS are invited to submit written information, express opinions or otherwise submit written evidence by email to dlongoria@Lake-Elsinore.org.

If you wish to legally challenge any action taken by the City on the above matter, you may be limited to raising only those issues you or someone else at the Public Hearing described in this notice, or in written correspondence delivered to the City prior to or at the Public Hearing. If you require accommodation to participate in a Public Hearing, please contact the Administrative Secretary at (951) 674-3124 ext. 297. All Agenda materials are available for review on the City's website at www.lake-elsinore.org the Friday before the Public Hearing.

FURTHER INFORMATION on this item may be obtained by contacting Carlos Serna, Assistant Planner in the Planning Division at cserna@lake-elsinore.org or (951) 674-3124, ext. 916.
