REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared by: Shannon Buckley, Assistant City Manager

Date: February 27, 2024

Subject: Amendment No. 1 to the Agreement With Area 63 Productions, LLC. for On-call Training and RV Repair Services.

Recommendation

Approve and authorize the City Manager to execute Amendment No. 1 to the agreement with Area 63 Productions, LLC. to increase compensation from \$80,000 to an amount not to exceed \$125,000 for On-Call Training and RV Repair Services in such final form as approved by the City Attorney and authorize the City Manager to execute change orders not exceeding a 10% contingency of \$12,500 for uncertainties.

Background

Area 63 Productions focuses on serving clients' needs in customizing and repairing RVs, Airstream trailers, and yurts. Since 2008, Area 63 has had extensive experience in all aspects of Airstream trailers, vintage trailers, and general recreational vehicle (RV) systems. Area 63 was also one of the first to install solar power on Airstream products. Area 63 has completed many restorations and has several long-term modernizations underway. The initial term of the City's agreement with Area 63 Productions expires June 30, 2024.

Discussion

Area 63 Productions' unique and focused abilities and expertise are helping deliver successful attraction amenities for Launch Pointe through a planned "Vintage Trailer Camp" or "Airstream Village," including the yurts and group camping areas. Their agreement with the City provides on-call services, including training and on-site consulting to activate yurts and trailers like a boutique spa/hotel arrangement. Their staff is uniquely trained in hotel and venue management, focusing on customer service, including housekeeping and back-of-house training, and capacity building of on-site staff. They will continue to focus on yurts and vintage trailer repairs and training.

Amendment No. 1 - Area 63 Productions, LLC.

Over the past few months, the vintage trailers suffered damage that required more repairs than usual. To properly maintain the yurts and trailers for the remainder of the fiscal year, it is necessary to increase the amount of Area 63's agreement by \$45,000.00.

Fiscal Impact

The services provided will be funded up to \$125,000 from operating budget funds.

10. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

11. Interests of Contractor. Contractor (including principals, associates and management employees) covenants and represents that it does not now have any investment or interest in real property and shall not acquire any interest, direct or indirect, in the area covered by this Agreement or any other source of income, interest in real property or investment which would be affected in any manner or degree by the performance of Contractor's services hereunder. Contractor further covenants and represents that in the performance of its duties hereunder no person having any such interest shall perform any services under this Agreement.

Contractor is not a designated employee within the meaning of the Political Reform Act because Contractor:

a. will conduct research and arrive at conclusions with respect to his/her rendition of information, advice, recommendation or counsel independent of the control and direction of the City or of any City official, other than normal agreement monitoring; and

b. possesses no authority with respect to any City decision beyond rendition of information, advice, recommendation or counsel. (FPPC Reg. 18700(a)(2).)

12. Ability of Contractor. City has relied upon the training and ability of Contractor to perform the services hereunder as a material inducement to enter into this Agreement. Contractor shall therefore provide properly skilled personnel to perform all services under this Agreement. All work performed by Contractor under this Agreement shall be in accordance with applicable legal requirements and shall meet the standard of quality ordinarily to be expected of competent contractors in Contractor's field of expertise.

13. Compliance with Laws.

a. Contractor shall comply with all local, state and federal laws and regulations applicable to the services required hereunder, including any rule, regulation or bylaw governing the conduct or performance of Contractor and/or its employees, officers, or board members.

14. Licenses. Contractor represents and warrants to City that it has the licenses, permits, qualifications, insurance and approvals of whatsoever nature, which are legally required of Contractor to practice its profession. Contractor represents and warrants to City that Contractor shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, insurance and approvals which are legally required of Contractor to practice its profession. Contractor shall maintain a City of Lake Elsinore business license.

15. Indemnity. Contractor shall indemnify, defend, and hold harmless the City and its officials, officers, employees, agents, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts or omissions of Contractor or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Contractor shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises from the sole negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Contractor or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

16. Insurance Requirements.

a. Insurance. Contractor, at Contractor's own cost and expense, shall procure and maintain, for the duration of the contract, unless modified by the City's Risk Manager, the following insurance policies.

i. Workers' Compensation Coverage. Contractor shall maintain Workers' Compensation Insurance and Employer's Liability Insurance for his/her employees in accordance with the laws of the State of California. In addition, Contractor shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. Any notice of cancellation or non-renewal of all Workers' Compensation policies must be received by the City at least thirty (30) days prior to such change. The insurer shall agree to waive all rights of subrogation against City, its officers, agents, employees and volunteers for losses arising from work performed by Contractor for City. In the event that Contractor is exempt from Worker's Compensation Insurance and Employer's Liability Insurance for his/her employees in accordance with the laws of the State of California, Contractor shall submit to the City a Certificate of Exemption from Workers Compensation Insurance in a form approved by the City Attorney.

ii. General Liability Coverage. Contractor shall maintain commercial general liability insurance in an amount not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Required commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (ed. 11/88) or Insurance Services Office form number GL 0002 (ed. 1/73) covering comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability. Additional insureds shall be entitled to the full benefit of all insurance policies in the same manner and to the same extent as any other insureds and there shall be no limitation to the benefits conferred upon them other than policy limits to coverages.

ii. This policy shall be considered primary insurance as respects the City,

its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have, shall be considered excess insurance only and shall not contribute with it.

iii. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

iv. The insurer waives all rights of subrogation against the City, its elected or appointed officers, officials, employees or agents.

v. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

vi. The insurance provided by this Policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the City.

18. Assignment and Subcontracting. The parties recognize that a substantial inducement to City for entering into this Agreement is the reputation, experience and competence of Contractor. Contractor shall be fully responsible to City for all acts or omissions of any subcontractors. Assignments of any or all rights, duties or obligations of the Contractor under this Agreement will be permitted only with the express consent of the City. Contractor shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the City. If City consents to such subcontract, Contractor shall be fully responsible to City for all acts or omissions of those subcontractors. 19. Waiver. Waiver of a breach or default under this Agreement shall not constitute a continuing waiver of a subsequent breach of the same or any other provision under this Agreement.

21. Mediation. The parties agree to make a good faith attempt to resolve any disputes arising out of this Agreement through mediation prior to commencing litigation. The parties shall mutually agree upon the mediator and share the costs of mediation equally. If the parties are unable to agree upon a mediator, the dispute shall be submitted to JAMS or its successor in interest. JAMS shall provide the parties with the names of five qualified mediators. Each party shall have the option to strike two of the five mediators selected by JAMS and thereafter the mediator remaining shall hear the dispute. If the dispute remains unresolved after mediation, either party may commence litigation.

22. Prohibited Interests. Contractor maintains and warrants that it has not employed nor retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement. Further, Contractor warrants that it has not paid nor has it agreed to pay any company or person, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, City shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of City, during the term of his or her service with City, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

23. Equal Opportunity Employment. Contractor represents that it is an equal opportunity employer and it shall not discriminate against any subcontractor, employee or applicant for employment because of race, religion, color, national origin, handicap, ancestry, sex or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

24. Prevailing Wages. Contractor is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq., as well as California Code of Regulations, Title 8, Section 16000, et seq., ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on "public works" and "maintenance" projects. Contractor agrees to fully comply with all applicable federal and state labor laws (including, without limitation, if applicable, the Prevailing Wage Laws). It is agreed by the parties that, in connection with the work or services provided pursuant to this Agreement, Contractor shall bear all risks of payment or non-payment of prevailing wages under California law, and Contractor hereby agrees to defend,

indemnify, and hold the City, and its officials, officers, employees, agents, and volunteers, free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws. The foregoing indemnity shall survive termination of this Agreement.

25. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

26. Controlling Law Venue. This Agreement and all matters relating to it shall be governed by the laws of the State of California and any action brought relating to this Agreement shall be held exclusively in a state court in the County of Riverside.

27. Authority to Enter Agreement. Contractor has all requisite power and authority to conduct its business and to execute, deliver, and perform the Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and to bind each respective party. The City Manager is authorized to enter into an amendment or otherwise take action on behalf of the City to make the following modifications to the Agreement: (a) a name change; (b) grant extensions of time; (c) non-monetary changes in the scope of services; and/or (d) suspend or terminate the Agreement.

28. Counterparts. This Agreement may be executed in several counterparts, each of which shall constitute one and the same instrument and shall become binding upon the parties when at least one copy hereof shall have been signed by both parties hereto. In approving this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

29. Entire Agreement; Incorporation; Conflict. This Agreement contains the entire understanding between the parties relating to the obligations described herein. All prior or contemporaneous understandings, agreements, representations and statements, oral or written, are superseded in total by this Agreement and shall be of no further force or effect. Contractor's Proposal is incorporated only for the description of the scope of services and/or the schedule of performance and no other terms and conditions from such proposal shall apply to this Agreement unless specifically agreed to in writing. In the event of conflict, this Agreement shall take precedence over those contained in the Contractor's Proposal.

30. Amendments. This Agreement may be modified or amended only by a written document executed by both Contractor and City and approved as to form by the City Attorney.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the date first written above.

EXHIBIT A SCOPE OF WORK

Based upon the RV Resort and Boat Launch Rehabilitation project the City of Lake Elsinore is currently undertaking, my unique and focused abilities and expertise will help deliver a successful attraction for the site through a planned "Vintage Trailer Camp" or "Airstream Village" and related campground amenities. In the near term, Area 63 can provide evaluations, transportation, repairs, and foremost consultation on Specialty RV/Vintage RV/Airstream Trailer topics.

For the future, we can offer specialty repairs services on vintage items, which typically cannot be expected or performed from a traditional RV repair technician. At the same time, we are happy to consult with your local technicians on issues where they might not be familiar.

- Our standard hourly labor rate is \$ 125.00
- Consultation is \$150.00 per hour, drive/travel time billed at half rate
- Daily rate is \$1,500.00 for up to 10 hours and includes local travel time
- Out of area travel (over 75 miles from Lake Elsinore) is billed 1:1 for expenses, and at half rate for travel time (with a daily maximum of 8 hours)
- Pick up delivery of trailers are billed at \$ 1 .50 per mile, roundtrip.

CREATIVE RECONSTRUCTION OF METAL TRAVEL TRAILERS

Area 63 Productions (Area 63) was founded in 2002, first as a hobby and to repair Airstream trailers with and for my friends, then it became a runaway in 2008 (full-time in 2009) when the vintage trailer boom and small space craze really hit America. At that time, Area 63 already had extensive experience in all Aspects of Airstream trailers, vintage trailers and general recreational vehicle (RV) systems.

Area 63 was also one of the first to install big, power solar on Airstream products. Area 63 has completed many complete restorations, and still have several long-term modernizations underway. My clients come from all walks-of-life, hobbyists, traveling artists, weekend warriors, and the well-to-do that can easily afford \$100,000+ restoration.

In addition to full rehabilitation and restoration services, Area 63 provides consulting to evaluate and informally assess the condition, determine upgrades needed, or appraise the value of vintage trailers. On many occasions, insurance companies and prospective buyers have used our services for pre-purchase decisions. for road safety, and for habitation safety and cleanliness. We have consulted on commercial projects and have done start-up tours for outdoor events companies that needed instruction on how to drive with a trailer and handle a promotional tour with an Airstream. Area63 has also consulted on individual restorations by hobbyists and conducted annual restoration seminars in Albuquerque for the past nine years, which is a 3-day hands-on training events that teach owners skills to repair and restore their own trailers.

Based upon the La Laguna RV Resort and Boat Launch Rehabilitation project the City of Lake Elsinore is currently undertaking, my unique and focused abilities and expertise will help deliver a successful attraction for the site through a planned Vintage Trailer Camp" or Airstream Village". In the near term, Area 63 can provide expert evaluations, transportation, repairs, and foremost consultation on Specialty RV/Vintage RV/ Airstream Trailer topics.
