

23) **Public Works Construction Agreement with West Coast Turf for the Stadium Facility Project, Cip Project No. RDA Z20003**

Award and authorize the Executive Director to execute a Public Works Construction Agreement with West Coast Turf in an amount not to exceed \$101,200.00 for the baseball field sod replacement in substantially the form attached and in such final form as approved by the Successor Agency Counsel, authorize the Executive Director to execute change orders not to exceed the 10% contingency amount of \$10,120.00, and authorize the Agency Secretary to record the Notice of Completion once the work is complete.

## REPORT TO SUCCESSOR AGENCY

**To:** Honorable Chair and Members of the Successor Agency

**From:** Jason Simpson, Executive Director

**Prepared by:** Brendan Rafferty, Assistant Director of Administrative Services

**Date:** November 12, 2024

**Subject:** Public Works Construction Agreement with West Coast Turf for the Stadium Facility Project, Cip Project No. RDA Z20003.

### **Recommendation**

1. Award the Public Works Construction Agreement for the baseball field sod replacement to West Coast Turf.
2. Authorize the Executive Director to execute the agreement in an amount not to exceed \$101,200.00 to West Coast Turf, in substantially the form attached and in such final form as approved by the Successor Agency Counsel.
3. Authorize the Executive Director to execute change orders not to exceed the 10% contingency amount of \$10,120.00.
4. Authorize the Agency Secretary to record the Notice of Completion once the work is complete.

### **Background**

Under the Stadium Operations Contracts and Interim Management Agreement, the Successor Agency is responsible for capital repairs. The Successor Agency is performing a required facility capital project at Diamond Stadium. The project must satisfy significant league baseball facility requirements and facility capital repair inadequacies.

This project will include the baseball field sod replacement of over 92,000 square feet of new grass sod.

### **Discussion**

During recent Major League Baseball facility evaluation visits, it was learned the playing field surface was sloping towards the outfield at a more significant percentage than allowable by Major

## West Coast Turf Agreement Sod Replacement

League Baseball standards. This condition has gradually worsened in the past several years. Staff has closely monitored this situation in anticipation of eventually performing a complete playing field removal and resod project to bring the field back within acceptable tolerances.

The scope of work for this project will include the purchase and installation of 92,000 square feet of T31-Bermuda Grass (TAHOMA 31 Large Rolls). The characteristics of this grass meet and exceed Major League Baseball standards and are an excellent match for our Lake Elsinore climate. With improved wear tolerance, early spring green-up, shade tolerance, and drought resistance, Tahoma 31 Bermuda grass is ideal for a baseball sports turf in tractional warm-season climates.

Major League Baseball has confirmed that West Coast Turf's Tahoma 31 Bermuda grass will meet and exceed all the closely monitored standards. This is the only known turf company that can deliver and install in the quantity and time frame required for the next baseball season. Because this turf is grown, cut, and delivered from a Palm Desert farm, the growing dormancy will not be a factor for the 2025 baseball season in late March.

Section 3.08.070 of the Lake Elsinore Municipal Code provides that the City Council may authorize the City Manager to bypass the standard procedures requiring multiple bids on purchases over \$30,000 when in the City's best interest. As discussed above, the unique services offered by this vendor match perfectly with the Agency's needs and are consistent with the existing facilities maintenance requirements for Major League Baseball.

### **Fiscal Impact**

The Diamond Stadium playing field project is included in the Fiscal Year 24/25 – 28/29 Capital Improvement Plan (CIP) budget. The contract amount herein is fully funded with Real Property Tax Trust Funds (RPTTF) are allocated to the Agency through the ROPS process.

**For the**

**Stadium Field  
Replacement**

**CIP PROJECT NO. RDA Z20003**

This Agreement for Public Works Construction (“Agreement”) is made and entered into as of November 12, 2024 by and between the Successor Agency of the Redevelopment Agency of the City of Lake Elsinore, a public body, corporate and politic established pursuant to Section 34173 of the Health and Safety Code (“Agency”) and West Coast Turf, a corporation (“Contractor”).

The Agency and Contractor, in consideration of the mutual promises and covenants set forth herein, agree as follows:

1. The Project and Project Documents. Contractor agrees to construct the following public improvements (“work”) identified as:

Purchase and installation of new grass sod.(the “Project”)

The Agency-approved plans for the construction of the Project, which are incorporated herein by reference and prepared by Contractor, are identified as:

**Contractor’s Proposal**

The Project Documents include this Agreement and all of the following: (1) the Notice Inviting Bids, Instructions to Bidders, Bid Documents including Bidder’s Proposal as submitted by the Contractor, Contract Documents, General Specifications, Special Provisions, and all attachments and appendices; (2) everything referenced in such documents, such as specifications, details, standard plans or drawings and appendices, including all applicable State and Federal requirements; (3) all required bonds, insurance certificates, permits, notices, and affidavits; and (4) any and all addenda or supplemental agreements clarifying, amending or extending the work contemplated as may be required to insure completion in an acceptable manner. All of the provisions of the above-listed documents are made a part of this Agreement as though fully set forth herein.

2. Compensation.

a. For and in consideration of the payments and agreements to be made and performed by Agency, Contractor agrees to construct the Project, including furnishing all materials and performing all work required for the Project, and to fulfill all other obligations as set forth in the Bidder’s Proposal, such contract price being one hundred one thousand two hundred dollars (\$101,200.00).

b. Agency hereby promises and agrees to employ, and does hereby employ, Contractor to provide the materials, do the work, and fulfill the obligations according to the terms and conditions herein contained and referred to, for the prices set forth, and hereby contracts to pay the same at the time, in the manner, and upon the conditions set forth in the Project Documents.

c. Contractor agrees to receive and accept the prices set forth in the Bidder's Proposal as full compensation for furnishing all materials, performing all work, and fulfilling all obligations hereunder. Such compensation shall cover all expenses, losses, damages, and consequences arising out of the nature of work during its progress or prior to its acceptance including those for well and faithfully completing the work and the whole thereof in the manner and time specified in the Project Documents; and also including those arising from actions of the elements, unforeseen difficulties or obstructions encountered in the prosecution of the work, suspension or discontinuance of the work, and all other unknowns or risks of any description connected with the work.

### 3. Completion of Work.

a. Contractor shall perform and complete all work within **30** working days from the date of commencement specified in the Notice to Proceed, and shall provide, furnish and pay for all the labor, materials, necessary tools, expendable equipment, and all taxes, utility and transportation services required for construction of the Project.

b. All work shall be performed and completed in a good workmanlike manner in strict accordance with the drawings, specifications and all provisions of this Agreement as hereinabove defined and in accordance with applicable laws, codes, regulations, ordinances and any other legal requirements governing the Project.

c. Contractor shall not be excused with respect to the failure to so comply by any act or omission of the Agency, the City Engineer, a City inspector, or a representative of any of them, unless such act or omission actually prevents the Contractor from fully complying with the requirements of the Project Documents, and unless the Contractor protests at the time of such alleged prevention that the act or omission is preventing the Contractor from fully complying with the Project Documents. Such protest shall not be effective unless reduced to writing and filed with the Agency within three (3) working days of the date of occurrence of the act or omission preventing the Contractor from fully complying with the Project Documents.

d. Agency and Contractor recognize that time is of the essence in the performance of this Agreement and further agree that if the work called for under the Agreement is not completed within the time hereinabove specified, damages will be sustained by the Agency and that, it is and will be impracticable or extremely difficult to ascertain and determine the actual amount of damages the Agency will sustain in the event of, and by reason of, such delay. It is, therefore, agreed that such damages shall be presumed to be in the amount of **\$500** per calendar day, and that the Contractor will pay to the Agency, or Agency may retain from amounts otherwise payable to Contractor, such amount for each calendar day by which the Contractor fails to complete the work, including corrective items of work, under this Agreement within the time hereinabove specified and as adjusted by any changes to the work.

4. Changes to Work. Agency and Contractor agree that the Agency may make changes to the work, or suspend the work, and no matter how many changes, such changes or suspensions are within the contemplation of the Contractor and Agency and will not be a basis for a compensable delay claim against the Agency nor be the basis for a liquidated damage claim against the Contractor.

Any change to the work shall be by way of a written instrument ("change order") signed by the Agency and the Contractor, stating their agreement to the following:

- a. The scope of the change in the work;
- b. The amount of the adjustment to the contract price; and
- c. The extent of the adjustment to the Schedule of Performance.

The City Engineer is authorized to sign any change order provided that sufficient contingency funds are available in the Agency's approved budget for the Project. All change in the work authorized by the change order shall be performed under the applicable conditions of the Project Documents. Agency and Contractor shall negotiate in good faith and as expeditiously as possible the appropriate adjustments for such changes.

5. Bonds. Contractor shall provide, before commencing work, a Faithful Performance Bond and a Labor and Material Bond, each for one-hundred percent (100%) of the contract price in the form that complies with the Project Documents and is satisfactory to the Agency Attorney.

6. Non-Assignability. Neither this Agreement nor any rights, title, interest, duties or obligations under this Agreement may be assigned, transferred, conveyed or otherwise disposed of by Contractor without the prior written consent of Agency.

7. Licenses. Contractor represents and warrants to Agency that it holds the contractor's license or licenses set forth in the Project Documents, is registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5, and holds such other licenses, permits, qualifications, insurance and approvals of whatsoever nature which are legally required of Contractor. Contractor represents and warrants to Agency that Contractor shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, insurance and approvals which are legally required of Contractor to practice its profession. Contractor shall maintain a City of Lake Elsinore business license.

8. Indemnity. Contractor shall indemnify, defend, and hold harmless the Agency and its officials, officers, employees, agents, the County and Board Supervisors, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts or omissions of Contractor or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Contractor shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises from the sole negligence or willful misconduct of the Agency or the City of Lake Elsinore or its officers, employees, agents, or volunteers and (2) the actions of Contractor or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to

property, or violation of law. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by Agency of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

9. Insurance Requirements.

a. Insurance. Contractor, at Contractor's own cost and expense, shall procure and maintain, for the duration of the Agreement, unless modified by the Agency's Risk Manager, the following insurance policies.

i. Workers' Compensation Coverage. Contractor shall maintain Workers' Compensation Insurance and Employer's Liability Insurance for his/her employees in accordance with the laws of the State of California. In addition, Contractor shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. Any notice of cancellation or non-renewal of all Workers' Compensation policies must be received by the Agency at least thirty (30) days prior to such change. The insurer shall agree to waive all rights of subrogation against Agency and the City of Lake Elsinore, its officers, agents, employees and volunteers for losses arising from work performed by Contractor for Agency. In the event that Contractor is exempt from Worker's Compensation Insurance and Employer's Liability Insurance for his/her employees in accordance with the laws of the State of California, Contractor shall submit to the Agency a Certificate of Exemption from Workers Compensation Insurance in a form approved by the Agency Attorney.

ii. Commercial General Liability Coverage. Contractor shall maintain commercial general liability insurance in an amount not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Required commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (ed. 11/88) or Insurance Services Office form number GL 0002 (ed. 1/73) covering comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability. No endorsement may be attached limiting the coverage.

iii. Automobile Liability Coverage. Contractor shall maintain automobile liability insurance covering bodily injury and property damage for all activities of the Contractor arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence. Automobile liability coverage must be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (ed. 12/90) Code 1 ("any auto"). No endorsement may be attached limiting the coverage.

iv. Builder's Risk Coverage. Prior to the commencement of any construction of the Project, Design-Builder shall obtain (or cause to be obtained) and keep in force during the term of any construction, builder's risk insurance insuring for all risks of physical loss of or damage (excluding the perils of earthquake and flood).

v. Professional Liability Coverage. Contractor shall maintain professional errors and omissions liability insurance appropriate for Contractor's profession for protection against claims alleging negligent acts, errors or omissions which may arise from Contractor's services under this Agreement, whether such services are provided by the Contractor or by its employees, subcontractors, or sub consultants. The amount of this insurance shall not be less than one million dollars (\$1,000,000) on a claims-made annual aggregate basis, or a combined single limit per occurrence basis.

b. Endorsements. Each general commercial liability and automobile liability insurance policy shall be with insurers possessing a Best's rating of no less than A:VII and shall be endorsed with the following specific language:

i. The Agency and the City of Lake Elsinore, its elected or appointed officers, officials, employees, agents and volunteers are to be covered as additional insured with respect to liability arising out of work performed by or on behalf of the Contractor, including materials, parts or equipment furnished in connection with such work or operations.

ii. This policy shall be considered primary insurance as respects the Agency and the City of Lake Elsinore, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the Agency and the City of Lake Elsinore, including any self-insured retention the Agency and the City of Lake Elsinore may have, shall be considered excess insurance only and shall not contribute with it.

iii. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

iv. The insurer waives all rights of subrogation against the Agency and the City of Lake Elsinore, its elected or appointed officers, officials, employees or agents.

v. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the Agency and the City of Lake Elsinore, its elected or appointed officers, officials, employees, agents or volunteers.

vi. The insurance provided by this Policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the Agency.

c. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the Agency. At the Agency's option, Contractor shall demonstrate financial capability for payment of such deductibles or self-insured retentions.

d. Certificates of Insurance. Contractor shall provide certificates of insurance with original endorsements to Agency as evidence of the insurance coverage required herein.

Certificates of such insurance shall be filed with the Agency on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the Agency at all times during the term of this Agreement.

10. Notices. Any notice required to be given under this Agreement shall be in writing and either served personally or sent prepaid, first class mail. Any such notice shall be addressed to the other party at the address set forth below. Notice shall be deemed communicated within 48 hours from the time of mailing if mailed as provided in this section.

If to Contractor: West Coast Turf  
Attn: Anthony Pulizzano  
PO Box 4563  
Palm Desert, CA 92261

11. Entire Agreement. This Agreement constitutes the complete and exclusive statement of agreement between the Agency and Contractor. All prior written and oral communications, including correspondence, drafts, memoranda, and representations, are superseded in total by this Agreement.

12. Amendments. This Agreement may be modified or amended only by a written document executed by both Contractor and Agency and approved as to form by the Agency Attorney.

13. Assignment and Subcontracting. Contractor shall be fully responsible to Agency for all acts or omissions of any subcontractors. Assignments of any or all rights, duties for obligations of the Contractor under this Agreement will be permitted only with the express consent of the Agency. Nothing in this Agreement shall create any contractual relationship between Agency and any subcontractor nor shall it create any obligation on the part of the Agency to pay or to see to the payment of any monies due to any such subcontractor other than as otherwise is required by law.

14. Waiver. Waiver of a breach or default under this Agreement shall not constitute a continuing waiver of a subsequent breach of the same or any other provision under this Agreement.

15. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

16. Controlling Law Venue. This Agreement and all matters relating to it shall be governed by the laws of the State of California and any action brought relating to this Agreement shall be held exclusively in a state court in the County of Riverside.

17. Litigation Expenses and Attorneys' Fees. If either party to this Agreement commences any legal action against the other party arising out of this Agreement, the prevailing party shall be entitled to recover its reasonable litigation expenses, including court costs, expert witness fees, discovery expenses, and attorneys' fees.

18. Mediation. The parties agree to make a good faith attempt to resolve any disputes arising out of this Agreement through mediation prior to commencing litigation. The parties shall mutually agree upon the mediator and share the costs of mediation equally. If the parties are unable to agree upon a mediator, the dispute shall be submitted to JAMS or its successor in interest. JAMS shall provide the parties with the names of five qualified mediators. Each party shall have the option to strike two of the five mediators selected by JAMS and thereafter the mediator remaining shall hear the dispute. If the dispute remains unresolved after mediation, either party may commence litigation.

19. Authority to Enter Agreement and Administration. Contractor has all requisite power and authority to conduct its business and to execute, deliver, and perform the Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and to bind each respective party. The Executive Director is authorized to enter into an amendment or otherwise take action on behalf of the Agency to make the following modifications to the Agreement: (a) a name change; (b) grant extensions of time; (c) non-monetary changes in the scope of services; and/or (d) suspend or terminate the Agreement. The City Engineer shall act as the Project administrator on behalf of the Agency.

20. Prohibited Interests. Contractor maintains and warrants that it has not employed nor retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement. Further, Contractor warrants that it has not paid nor has it agreed to pay any company or person, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, Agency shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of Agency, during the term of his or her service with Agency, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

21. Equal Opportunity Employment. Contractor represents that it is an equal opportunity employer and it shall not discriminate against any subcontractor, employee or applicant for employment because of race, religion, color, national origin, handicap, ancestry, sex or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

22. Prevailing Wages.

a. Contractor and all subcontractors shall adhere to the general prevailing rate of per diem wages as determined and as published by the State Director of the Department of Industrial Relations pursuant to Labor Code Sections 1770, 1773, and 1773.2. Copies of these rates and the latest revisions thereto are on file in the office of the Agency Clerk of the City of Lake Elsinore and are available for review upon request.

b. Contractor's attention is directed to the provisions of Labor Code Sections 1774, 1775, 1776, 1777.5 and 1777.6. Contractor shall comply with the provisions of these Sections. The statutory provisions for penalties for failure to comply with the State's wage and the hours laws will be enforced.

c. Labor Code Sections 1774 and 1775 require the Contractor and all subcontractors to pay not less than the prevailing wage rates to all workmen employed in the execution of the contract and specify forfeitures and penalties for failure to do so. The minimum wages to be paid are those determined by the State Director of the Department of Industrial Relations. Labor Code Section 1776 requires the Contractor and all subcontractors to keep accurate payroll records, specifies the contents thereof, their inspection and duplication procedures and certain notices required of the Contractor pertaining to their location. The statutory penalties for failure to pay prevailing wages will be enforced. If the Project has been awarded to Contractor on or after April 1, 2015, Contractor and its subcontractors must furnish electronic certified payroll records to the Labor Commissioner. Beginning January 1, 2016, Contractor and its subcontractors must furnish electronic certified payroll records to the Labor Commissioner without regard to when the Project was awarded to Contractor.

d. Labor Code Section 1777.5 requires Contractor or subcontractor employing tradesmen in any apprenticeable occupation to apply to the Joint Apprenticeship Committee nearest the site of the public works project, which administers the apprenticeship program in that trade for a certificate of approval. The certificate will also fix the ratio of apprentices to journeymen to be used in the performance of the Agreement. The Contractor is required to make contributions to funds established for the administration of apprenticeship programs if the Contractor employs registered apprentices or journeymen in any apprenticeable trade and if other contractors on the public works site are making such contributions. Information relative to apprenticeship standards, contributions, wage schedules and other requirements may be obtained from the State Director of Industrial Relations or from the Division of Apprenticeship Standards. Labor Code Section 1777.6 provides that it shall be unlawful to refuse to accept otherwise qualified employees as registered apprentices solely on the grounds of race, religious creed, color, national origin, ancestry, sex, or age.

e. Eight hours labor constitutes a legal day's work, as set forth in Labor Code Section 1810.

23. Execution. This Agreement may be executed in several counterparts, each of which shall constitute one and the same instrument and shall become binding upon the parties when at least one copy hereof shall have been signed by both parties hereto. In approving this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

[Signatures on next page]

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the date first written above.

## Conditions of Sale:

- Billed quantities for sod or stolons and installation services are based on amount ordered on delivery invoices.
- Field measurements or any other method for calculating billed amounts are not valid.
- In no event will West Coast Turf be liable to anyone for special, incidental, consequential, indirect, or liquidated damages. This includes, but is not limited to, lost revenue or profits arising from and/or relating to any product or service provided by West Coast Turf, or the inability to provide said product or service.
- WCT guarantees that sod will arrive weed/disease free. WCT needs to be notified within 24 hours of delivery if there is a problem. No further warranty on live product outside the care and control of West Coast Turf is offered or implied.
- Contractor assumes responsibility for notifying us of Prevailing Wage and/or Union job status in order for us to know what wage rate to pay.
- All soil preparation and final grading must be completed prior to sod installation by customer. No grading or pre/post rolling will be provided.
- Quote is valid for 90 days from the stated Quote Date on Page 1.
- Quote does not guarantee sod availability. A separate deposit, purchase order, or contract may be required to guarantee materials.
- If turf grass varieties requested are different than West Coast Turf varieties, a contract and a deposit will be required for a contract grow.
- Price quote based on full scope of work.
- West Coast Turf is not signatory to any Labor Unions. Installation jobs requiring Union labor will be contingent on Union acceptance of a single project agreement for West Coast Turf to perform installation on the Union project. Installation/Labor costs higher for PW/Union jobs, and those installed weekends and holidays.
- All payments by credit card for any project total amounts above \$20,000 will incur a 3% processing fee. Check, ACH, or wire transfer is preferred.
